Arson charged in tavern fire

Two men have been charged with arson and a third man is in critical condition in the burn unit of Barnes Hospital, St. Louis, in connection with a fire which destroyed a new tavern, Sonny's Place, near Routes 111 and 162 in Ponton Beach at 1:55 a.m. Tuesday.

Charged are Raymond Flynn, 43, St. Louis, and Robert Richmond, St. Charles.

The burn victim is William J. Poletto, a 31-year-old Bethalto resident.

Officers first were informed at 1:55 a.m. Tuesday that the new tavern was on fire. The Long Lake Volunteer Fire Department was called for, but a malfunction in the alert system to awaken firemen caused a delay, as many firemen had to be notified individually by telephone of the fire.

Ponton Beach Police arrived and noticed that a south side door had been pried open. Flames had broken through the roof of the tavern at that time.

A spectator noticed burning clothing in weeds near the parking lot in front of the building and alerted police and Madison County sheriff's deputies.

Fire in a pair of trousers, shorts and shoes was extinguished. Officers found a

wallet in the pants pocket containing \$270 and the identification of the man who is hospitalized. There was a large amount of blood on the clothing, police reported.

A St. Louis County police helicopter was requested to aid in a search for the injured man.

A check of area hospitals was made and police discovered that a burn victim, Poletto, had come into St. Mary's Hospital, East St. Louis.

County deputies went to his home in Bethalto to notify his wife of the accident and they noticed a car in the driveway. There was blood in the back seat, they said.

They parked a distance from the house and watched two men get into the car and drive away. With the assistance of Bethalto police, they stopped the car and detained the two men.

The men were brought to the Ponton Beach police station, where they were questioned and charged with arson. They declined to issue statements, authorities said.

Their car was towed to a county holding area at Edwardsville and wet gloves, believed saturated with a flammable liquid, were found. Also found were burglary tools and guns in a com-

partment behind the back seat, it was alleged.

The burned man was examined at St. Mary's Hospital and was transferred to Barnes Hospital, where he was admitted to the burn unit in critical condition.

Authorities said he has burns over 65 per cent of his body, and a large piece of glass was removed from his right hip.

The tavern building was owned by Carl Hackney, former Ponton Beach trustee, and the liquor license was issued to Marilyn Caton, who leased it. She also owns The Fort tavern on Lake Drive in Ponton Beach. She is the wife of Les "Sonny" Caton.

The tavern development became controversial in June 1973 when the Ponton Beach Village Board voted to amend its zoning ordinances to allow newly annexed property to come into the village under a B-2 business zoning without a public hearing or action of the village's zoning board of appeals.

At that time, Hackney and Moss planned a \$358,000 medical center at the site, with a small shopping center on the north side of Highway 162, also owned by Moss and Hackney.

After Hackney decided to modify his plans and construct a tavern there, Moss traded him Moss' interest in the south side property for Hackney's interest in the north side property.

The village president stressed this deal did not have any interest in the tavern or the property on which it was constructed. Moss' land has not been developed.

Long Lake firemen estimated damage at the tavern at \$40,000 to the building and \$10,000 to its contents.

They fought the fire for three hours, which included raking and cleaning the site to keep the fire from rekindling.

The building was about 70x30 feet and was destroyed.

State Arson Investigator Adrian Hendricks of East St. Louis has examined the ruins and an investigation is under way.

Redman and Richmond were taken to the Madison County Jail at Edwardsville and released after posting a \$750 cash bond each.

Madison officers to be 'walking tall'

Mayor Mike Sasyk informed the Madison City Council Tuesday night that he and Chief of Police Frank Dutko are working on a plan to establish "walking beats" for police in Madison.

"I feel that by establishing walking beats in various areas of the city, our police can get closer to the people. They can explain to residents how they can help keep crime down and in general improve conditions," Mayor Sasyk commented.

Areas mentioned by the mayor where the new plan is to be tried are West Madison, housing projects, eastern Madison and the business district.

It is planned to put the new procedures into use in about 30 days after vacation periods are over.

A police report for July noted that \$663 was collected in both traffic and other fines, bringing the total money collected for the year in fines to \$6,132.

Processing to begin at plant

The new Archer Daniels Midland Co. plant here plans to begin full soybean processing operations in the near future, utilizing the solve t hexane.

Responding to a comment from a reader, relayed by the Press-Record following a fire at the plant Aug. 18, a spokesman said the process is well established and has multiple safeguards. Similar processing takes place at a dozen ADM plants and at hundreds of such plants worldwide.

Homecoming will start

JANET HILTON

JANICE WILLIAMS

The fourth annual Newport area homecoming will begin with a parade at 10 a.m. Saturday with many marching and motorized units participating.

The route will go from the Fox Brothers Industries field along College, Selb, Market, Mercedon, Douglas, Weaver, Jackson, Second, Bissell and Klein Street to Lee Park, Venice, the homecoming site.

Highlights of the three-day event will be crowning of a queen at a dance and pageant Sunday night. Contenders are Janice Williams and Janet Hilton.

Games for young and old will be held, plus rides for children and homecoming officials.

Armed robbery

An armed robber stole about \$200 in small bills from a worker at Daly's Drive-In, 1371 Edwardsville Road, at 7:35 p.m. yesterday.

The man entered and ordered a cup of ice cream to take out, and then went to a restroom. When he returned to the counter, he paid for the ice cream. As the employee opened the cash register, the man

displayed a pistol and told her to give him all the money in the register.

Officers were told the man took small bills and then got into a blue auto with no license and drove away eastbound. The man was about six feet tall, had a mustache which was shaved down, and was wearing a fishnet shirt and blue denim pants.

Enrollment down

By DONNA HARTWICK
Press-Record Staff Writer
First day enrollment figures of Quad-City area public and parochial schools opening this week show a decrease of pupils from last year's totals.

New city librarian

Raymond H. Tevis will assume the duties Sept. 1 of librarian of the Granite City Public Library, it was announced today by the Rev. Roy I. Baugh, president of the library board of trustees.

Tevis and his wife, Mary Beth, currently live in Edwardsville and plan to move here.

In 1973-74, he was the librarian at Granite City High School South and previously taught at the School of Library and Information Science, University of Missouri at Columbia.

Tevis holds a bachelor degree from Greenville College, a master degree from SIUE and a master degree in library and science from the University of Missouri. He is currently working on a doctorate in history.

Dr. citizen center to open in GC

A new Granite City Township Senior Citizens' Center will be officially opened with a ribbon cutting ceremony at 10 a.m. Tuesday at the center, 1918 Elson Ave., followed by an open house.

Township Supervisor Nelson Fagnauer will cut the ribbon and will welcome officials and guests on hand for the ceremony.

Among those expected to attend are Madison County Sheriff John Maers, Mayor Paul Schulz, members of the Township Board (City Council) and representatives of the Madison County Deputy Sheriffs' Association, Veterans of Foreign Wars, American Legion, Amvets, Illinois Power and Light, and Woodworth's.

Numerous organizations and companies have donated items to help furnish the new senior citizens' facility.

The center is being rented by the township, using federal venue clearing funds, until a new township building can be constructed at the site of the former Central School, 21st Street and Delmar Avenue, which has been razed. Permanent space for senior citizens is planned in the new building.

Fagnauer said the center to be opened Tuesday "will provide a central meeting place for senior citizens and will give them a base, close to bus transportation and the downtown area, from which they can organize other activities."

The open-house, which will begin with the ribbon cutting, will continue through 5 p.m. Tuesday.

Games for young and old will be held, plus rides for children and homecoming officials.

and other students were not permitted to attend on the first day because they did not have a physical examination card.

A grand total of 16,225 students reported on opening day at Quad-City schools, indicating a total of about 16,500 including St. Elizabeth, compared to over 13,000 a year ago.

Granite City's overall enrollment for the current term is 12,883 in public schools. Madison public schools registered 1,575, and Venice

public schools recorded 534.

Quad-City parochial schools which have started their terms had a total enrollment of 735 students.

At the elementary level kindergarten through sixth grade) of both public and parochial schools in the Quad-Cities, there were 8,366 students on the opening day of school.

Junior high schools registered 2,773 and grades nine through 12 had a total of 4,888 students on the first day. This breakdown

does not include 188 special education pupils.

First day enrollments in five of the six Quad-City parochial schools included: Sacred Heart, 203; St. Margaret Mary, 219; St. Joseph, 103; and St. Mary-St. Mark's, 203. The latter two schools conduct joint classes in Madison and Venice.

Madison elementary school enrollment of 1,086 includes Harris School, kindergarten through third, 382; Blair School,

Continued on Page 9

WORDS OF WELCOME are expressed by Supt. Robert N. Vickers, standing, to new teachers in the Venice public schools Tuesday. Seated around the table, from the left, are: Mrs. Mary Shaw and Miss Margie McGarrahan, reading teachers; Mrs. Glenna Brooks,

trainable handicapped class teacher; Miss Barbara Bailey, remedial reading; and Kenneth Perkins, high school social studies teacher and 7th and 8th grade basketball coach.

End many sewer bills

Most Granite City residents will not be receiving their monthly \$2.50 sewer bills next month and there are hopes that billing for repayment of two sewer bond issues may be ending permanently.

All residents still will receive a \$5.10 quarterly sewage treatment bill about Nov. 1, which is separate from the monthly sewer bill.

Granite City Treasurer Paul E. Rutledge recommended to

the City Council Monday night that a moratorium be declared, at least temporarily, on monthly sewer billing in the original Nameoki sewer area and in the Nameoki Particular Area 2 sewer district.

The two districts cover a majority of the city, with only scattered sections excluded.

Residents of Particular Area 3, including North Granite City and dozens of small areas, will continue to receive the \$2.50

monthly sewer bill until sufficient funds have been received to retire bonds for their sewers. They also will receive the \$5.10 quarterly treatment plant bill.

In a letter to the council, Rutledge said, "It appears that, with the funds now on hand—plus interest income through August 1978 from these funds, and the delinquent accounts that will be collected in the next two years—there will be sufficient money to retire all outstanding

bonds on Sept. 1, 1978, the date these bonds become eligible for redemption."

Rutledge warned that, if collection of delinquent accounts is not successful, the moratorium might have to be ended and monthly billing resumed in the Nameoki area and Particular Area 2.

He said refunds will be made to those who have paid their monthly sewer bills in advance.

Continued on Page 9

Most won't labor on Labor Day

Labor Day will be a day without labor for most Quad-Cityans. No formal observance of the Monday, Sept. 2, holiday has been announced, in contrast to the massive local Labor Day parades of many years ago.

City, county and state offices will be closed Monday in observance of Labor Day.

Local banks and savings and loan associations also will be closed.

The First National Bank in Madison, normally open on Saturday mornings will close Friday at 5 p.m. for a three-day weekend. Granite City banks will close at their regular time Friday (7 p.m.) and reopen Tuesday morning.

There will be no mail delivery on Monday; however, local post offices will have their lobbies open during normal hours for box patrons and mailing of letters.

Many stores here and elsewhere plan to be open all three days of the Labor Day weekend.

Public and parochial schools will be closed on Labor Day.

WILLIAM EDMISTON DIES AT HOME TODAY

William Edmiston, 1311 Grand Ave., Madison, died at about 11 a.m. today at his home. He had been ill for several years.

LABOR DAY is approaching and also Union Label Week, Sept. 2-8. Granite City Mayor Paul Schulz is shown signing a proclamation calling for observance of the week by displaying union labels, shop cards, store cards and service buttons, and by patronizing union products and services. At left is Edwin Reiske, president of the AFL-CIO Tri-City Central Trades and Labor Council, and at right is Bob McCormick, secretary of the same group. The proclamation cites labor efforts to improve working conditions, wage standards, worker-employer cooperation and product quality.

Next issue of Press-Record will be Tuesday, Sept. 3

\$63,400 bid to expand Town Hall in Nameoki

Nameoki Township auditors opened new bids Monday night for construction of an addition and improvements to the Nameoki Town Hall, 4250 Highway 162.

Low bidder was Carl Mick, general contractor, Edwardsville, at a base price of \$63,400, or \$8,138 higher than the previous low bid on the same work opened in March.

The low bidder at that time, R. W. Becker Co., Hmml, indicated he could not hold that price beyond 60 days past the bid opening. The board did not act in time and Becker declined to do the work at the old price, forcing the board to readvertise for bids.

The new low bid is about 15 percent higher than the low bid of five months ago. Other bidders Monday night were Ed Moore Construction Co. \$68,800, and Douglas Contracting Co., \$85,800. Both are Granite City firms.

The bids were referred to the architect, who is to meet with the town board before making a recommendation.

Mayer Mike Sasyk of Madison addressed the board, saying his city has taken responsibility for many years for some of the services in the East Madison area not in the city.

He cited Parish Street repairs, fire protection, and maintenance, and repair of school crossing lights at Sixth Street and McCambridge Avenue. The township is responsible for all or part of the costs for these and other services, Sasyk told the board.

He requested that Madison city officials and township officials meet in the near future to discuss the township assuming a larger share of the responsibilities for these and other services to East Madison.

Louis Whitesell, township supervisor, agreed to call for a meeting within a week on the questions brought up by Mike Sasyk.

Letters pertaining to a need for crossing signal lights at railroad crossings on Lake Drive and Mockingbird Lane were read. In one letter, State Sen. Sam Vadalabene (D-Edwardsville) pledged to continue his efforts to obtain crossing lights.

A letter from the Illinois Commerce Commission indicated petitions are to be filed by the township to obtain an ICC hearing. The township then must prove the crossings are "extra hazardous" before crossing signals will be ordered by the ICC.

Whitesell reported one home owner has declined to sign his easement for a proposed Harrison Avenue drainage project for which the board has already awarded a construction contract.

The board agreed it awarded the contract only to assist people of that area. If not all will cooperate in having the line completed, no further steps will be taken by the township, it was indicated.

Whitesell reported he met with a representative of Corley Associates, Edwardsville, and discussed proposed drainage near Shirlen Drive. The firm is to determine grades in preparation for a drainage improvement project.

Approval was given to pay bus transportation for 70 children to attend a ball game in St. Louis over the Labor Day holiday weekend.

Kiwanis plan family picnic

Horseback riding, games and food will be the order of the day Sunday, Sept. 22, for members and families of the Evening Kiwanis Club as they hold their annual picnic at Connie Bauer's farm near Edwardsville, according to Howard Ebertson, president.

At the group's meeting Monday in Charlie's Restaurant, Ebertson appointed Kiwanians William Hayes and Wilhelm Verschuyl as co-chairmen of the event.

Kiwanian Michael Tondas is in charge of the food.

Edwin L. Moore, past day chairman, reported that everything is set for Sept. 22-23 peanut sales. On that Friday and Saturday, members of both the Breakfast and Evening Kiwanis will sell peanuts to aid local charities.

The club will not meet next Monday due to the Labor Day holiday.

Douglas is reappointed

Robert Douglas, who has just completed a three-year term as a trustee of the Nameoki, Chouteau and Venice Levee District, was reappointed to another three-year term by the Chouteau Town Board of Auditors Monday night.

The board also set meeting dates for the remainder of the year. All meetings are on Monday evenings and they begin at 7 o'clock. They are: Sept. 9 and 23, Oct. 7 and 21, Nov. 4 and 18 and Dec. 2, 16 and 30.

Mrs. Nolte dies at 72

Mrs. M. Olive (Thomas) Nolte, 72, of 2807 Marshall Ave., a 50-year resident of Granite City, died at 11:05 a.m. Wednesday at St. Elizabeth Hospital.

She had been ill for 35 days, and in the hospital for the same length of time.

Mrs. Nolte was born in Grand Chain, Ill. Her husband, George M. Nolte, died in 1972.

Surviving is a brother, Milo E. Thomas of Granite City.

Funeral arrangements are given in the obituary column.

The board requested an opinion from the state's attorney on whether federal revenue sharing money can be used by the township to assist the financially troubled State Park Street Lighting District. The district is more than \$2,000 in debt, it was disclosed.

Gerald Teller, 2271 Shirlen Drive, was appointed as the new town health inspector, replacing Mrs. Helen Hawkins, who resigned.

Teller was sworn in at the meeting.

He was recommended by the auditors after they met with several applicants Aug. 20.

Auditor W. Lee Adams reported that a fire hydrant at Benning Street and Harrison Avenue does not work. He said maintenance of the hydrant is the responsibility of the Mitchell Public Water District, and the district has been requested to repair it.

The board voted to purchase a calculator for \$443 to be used in the township office.

Letters to and from L. C. Schlosser, district construction engineer for the state highway division, were read.

A letter from Whitesell and Albert Bell, township highway commissioner, asked him to work toward keeping intersections along Highway 203 reconstruction under repair.

Schlosser's reply to the township was that he has notified the contractor for Route 203 improvements, Calhoun Construction Co., to repair and maintain the intersections during the construction period.

Whitesell reported he met with a representative of Corley Associates, Edwardsville, and discussed proposed drainage near Shirlen Drive. The firm is to determine grades in preparation for a drainage improvement project.

Approval was given to pay bus transportation for 70 children to attend a ball game in St. Louis over the Labor Day holiday weekend.

\$450 increases for Madison teachers

A new agreement between the 100 members of Madison Local 763 of the American Federation of Teachers and the Madison Board of Education includes wage increases, insurance benefit increases and an incentive pay plan.

Salaries were increased in each of the 11 steps by \$450, bringing the beginning salary of a first year teacher with a bachelors degree to \$8,900. Beginning teachers with a masters degree start at \$9,600. Teachers holding a bachelors degree on step 11 were given a one-year-only \$450 pay increase as an incentive to obtain or finish a master degree.

The new pact also provides for the board to pay \$46 per year additional hospital insurance premiums. The board increased its payment from \$15 per month last year to \$18.86 per month this year.

The board increased the number of pay steps from 11 to 12 for teachers with a master degree plus 30 hours toward their doctorate.

Beginning salary for a teacher with a master plus 30 hours is \$10,300 and after 12 years of service this rises to \$14,850.

Teachers can also gain an additional \$300 from unused sick leave.

SHOOTS INTO SCHOOL

A vandal shot a slug through thermal window panes at Granite City High School North, it was reported at 10:35 a.m. Wednesday. The vandalism was believed to have happened during the night. The slug was found on the hall floor. Officials have not determined the cost of replacing the windows.

BURGLARY ON STATE

The front door of the home of Matte Clubb, 2260 State St. Apartment 3, was forced open and jewelry, two clock radios, a clock and a pillowcase, all worth a total of more than \$300, were stolen, it was reported at 1:10 a.m. today.

FEDERAL BUREAU OF INVESTIGATION
DIRECTOR Clarence M. Keefe, Scout Arno "Skip" Spomenan, as the director, stood in the center of the group. To his left, from left to right, are Keith Hewitt, Mike Stephens, Jim Tom Hooks, Scout Spomenan, and Gary G. W. "Mick" Strange, post leader. Other Explorers (some partially hidden) in the back from left to right are: Steve Winter, Roger McFain, Randy Affolter, Dave Jeffries, Dennis Brown, Bob Dixon, John Cox, Bill Kinkel, Rich Walker, Bob McKinney, Chris Champion, Ed Opich, Jack Small, Larry Carson, Harlen Hooks, Arno Spomenan, Phil Daniels, Keith Wagner, Dan Tolliver, John Kovach, Mike Grisham and Brad Crown. The Explorers also visited the Central Intelligence Agency and the U.S. Secret Service.

Mosquito control efforts to resume

A program of spraying for mosquito control in Nameki Township was to resume this week after township officials were informed they could legally continue, even though the person operating the machinery has not been certified by the state department of agriculture.

The program was stopped several weeks ago after the Illinois Environmental Protection office in Collinsville asked Douglas Teator, town clerk, to spray in the area of the Quiet Valley Lagoon where mosquitoes were becoming a health problem.

In the same call, the EPA official asked if the village's spray machine operator was certified by the state. Teator investigated, found the operator had not been certified and stopped the spraying while he awaited information on the method of having a sprayer certified.

He was told that the certification test is given in Madison County only once each year and the test already had been given for this year. A sprayer could take the test and be certified in Springfield, Teator was told.

Yesterday, agriculture department officials indicated township sprayers did not have to be certified, although it is preferred. Teator then decided

to resume the spraying program while steps are being taken to have a person certified to use the spraying equipment.

The former township sprayer operator quit after he was bitten on the hand by the Town Hall. Teator said that as soon as another worker can be found to operate the sprayer, the work will resume.

He pledged that the Quiet Valley subdivision of Pontoon Beach will be among the first areas to be sprayed. It has been sprayed twice this year, but the mosquito problem remains severe there, some residents say.

Births

Births recorded at St. Elizabeth Hospital.

GIRLS
Mr. and Mrs. Ernie Cobb, 2707 Kirkpatrick Homes, Aug. 26, Any Diane, eight pounds, 14 ounces.

Mr. and Mrs. Joseph Jones, 2200 Adams St., Aug. 26, Crystal Lynn, seven pounds, 13 ounces.

Mr. and Mrs. Dennis Dressel, 4000 Sara St., Aug. 27, Bridget Lee, seven pounds, four ounces.

BOYS
Mr. and Mrs. Frederick Teator, Collinsville, Aug. 26, David Earl, six pounds, 14 1/2 ounces.

Mr. and Mrs. John Cass, 2140 Delmar Ave., Aug. 26, John Joseph, seven pounds, 13 ounces.

Mr. and Mrs. Danny Hicks, 1638 E. 23rd St., Aug. 27, Danny Wayne, seven pounds, 15 ounces.

Mr. and Mrs. Daniel Yann, Highland, Aug. 27, Jason Wade, six pounds, 15 ounces.

Mr. and Mrs. Jerry Stroud, 559 Barkley St., Aug. 28, Jason Edward, four pounds, 10 ounces.

Death notices

CASTILLO, MRS. JESSIE R., 1846 Spruce St. Entered into rest 6:40 p.m. Tuesday, Aug. 27, 1974, at St. Elizabeth Hospital.

Beloved wife of the late Ottilio Castillo; dear mother of Larry, Michael, Norman and Joseph; dear sister of Anthony and Alfred Castillo, Mrs. Jennie Alvarado, Mrs. Irene San Souci, Mrs. Theresa Kennedy and Mrs. Mary Scanlan; dear grandmother and great-grandmother.

Her remains will be taken from MERCER MORTUARY, 1416 Niedringhaus Ave., to St. Joseph Catholic Church, 21st and State Streets, for a Mass Friday, Aug. 30, Interment Calvary Cemetery, Edwardsville Township. Rosary 7 p.m. today, Aug. 29.

HACKETT, CHARLES R., 1729 Market St., Madison, Entered into rest 7:30 a.m. today, Aug. 29, 1974, at home.

Beloved husband of the late Anna Hackett; dear father of Misses Irene, Charlie and Rose Hackett and Lewis Hackett.

His remains will lie in state at LAHEY FUNERAL HOME, 501 Madison Ave., Madison, until 9:30 a.m. Saturday, Aug. 31, when he will be taken to First United Presbyterian Church of Madison, 11th Street and Ewing Avenue, for services at 10 a.m. Interment St. John's Cemetery, 2801 Nameki Road. Friends may call after 7 p.m. today. In lieu of flowers, the family suggests donations to the First United Presbyterian Church of Madison.

NOLTE, MRS. M. OLIVE (Thomas), 2807 Marshall Ave. Entered into rest 11:05 a.m. Wednesday, Aug. 28, 1974, at St. Elizabeth Hospital.

Beloved wife of the late George M. Nolte; dear sister of Mildred Thomas; dear aunt. Funeral services 10:30 a.m. Friday, Aug. 30, at MERCER MORTUARY Chapel, 1416 Niedringhaus Ave. Interment St. John's Cemetery, 2801 Nameki Road. Visitation after 11 a.m. today, Aug. 29.

\$451,172 GC park tax levy

2 hurt in car-train accident

The Granite City Park District last night approved a 1974 tax levy of \$451,172. It previously adopted a budget of \$734,476 for operation of the park district during the 1974-75 year.

The new levy allocates \$301,813 for the general fund, \$117,359 for the recreation fund, \$22,500 for the Illinois Municipal Retirement fund, \$7,500 for tort liability insurance and \$2,000 for the annual audit.

Taxes are to be distributed as follows: general corporate fund-administrative department, \$52,405; parks, \$229,408, including construction of a lighted softball diamond and two lighted tennis courts; operation of swimming pool, \$20,000; and ice skating rink, none.

Recreational program - neighborhood playgrounds, \$25,317; Wilson Park playgrounds, \$59,657; Community House, \$19,190; and Nameki Recreation Center, \$13,195.

Rain ends dry spell

A welcomed 1.15 inches of rain during the 24 hours of Tuesday morning through Wednesday morning and another .45 inch as of 8 a.m. today ended a 10-day dry spell in this area.

A trace of rain was reported Saturday, Aug. 24, and the last measurable amount was .02 inch on Saturday, Aug. 17.

The normal rainfall, for August is 3.02 inches and to date the Quad-Cities have received a total of 2.62 for the month.

Rainfall was recorded this month on Aug. 13 at .20 inch; Aug. 11, at .18; Aug. 10, at .10; and Aug. 3, at .52; with a trace on Aug. 2.

North student activity ticket

Gilbert Walmsley, principal of North Senior High School, noted today that the Granite City Board of Education wants to have all students participate in as many school activities as possible.

In order for this to be possible, the board has provided a student activity pass which will entitle a student free admittance to five home football games, nine home basketball games, eight home wrestling meets, the homecoming play, and 16 issues of the school newspaper.

Normally, admittance to athletic events and plays is 75 cents for students and the school newspaper sells for 10 cents an issue.

All these activities would normally cost a student \$22.60 if he or she were to pay for them individually. The activity ticket will save the participating student \$17.60, it was explained.

Walmsley said that North Granite City High School North student can begin purchasing the \$5 activity ticket starting Tuesday, Sept. 3, before school hours in the main office from 7:30 a.m. to 7:55 a.m., or daily in the high school cafeteria during lunch periods. Checks should be made payable to Granite City High School North.

LOOT AUTO TRUNK

Items worth about \$400 were stolen from the trunk of the auto of Bruce David, 1729 Venice Ave., parked at the David home, it was reported at 6:45 p.m. Wednesday. The trunk lock was broken. Taken were the spare tire and wheel, a set of golf clubs, a golf bag and golf cart and a tennis racket.

RECOVER CITY TRUCK

A Granite City Street Department pickup truck, parked by a city employee in the 3200 block of Rodger Ave., was reported stolen at 10 p.m. yesterday. Police found the vehicle a short time later in the 2800 block of Dogwood Drive and returned it to the street department.

BRASS IS STOLEN

Theft of 37 journal brass was reported to Venice police at 11:25 p.m. Wednesday by the Hyman Michaels Co. The brass apparently was removed from a railroad car the previous night.

RETIRING PARK COMMISSIONER Paul Thompson (cutting cake), who resigned his position on the Granite City Park Board last night due to moving to Dorsey, Ill. He was elected in 1969 and has served as chairman of the engineering committee. Awaiting a piece of the cake, from the left, are Commissioner Jake Hinterser, Vice-President Barry Loman, President Henry Gabriel and Commissioner Robert Patrick.

NEWLY ELECTED OFFICERS of the GCHS North Steel Booster Club review the school's upcoming sports season. From left are Darlyne Heth, secretary; Charlie Logas, president; and Jerry Gavlick, vice-president.

Steeler Boosters to hear coaches

The Steeler Booster Club of Granite City High School North will conduct its first fall meeting at 7:30 p.m. Tuesday in the school's cafeteria.

During a meeting this summer to elect officers of the club, Charlie Logas was chosen as president, Jerry Gavlick as vice-president, and Darlyne Heth as secretary. Retained as treasurer was Kenny Carr.

Logas explained that "we assist the school's athletic department and the coaching staff in promotion of interscholastic athletics, good sportsmanship and fair play."

He said the public is invited to attend the initial 1974-75 meeting, at which a football film highlighting the St. Louis Cardinals in 1973 will be shown.

On the agenda also are talks by Robert Kehoe, soccer coach, Pete Robinson, cross-country coach and Tom Wyrstek, football coach, and a discussion of booster activities.

Soccer opener near; defense worries North

The soccer Steelers of Granite City High School North will begin their 23-game fall season schedule at 4 p.m. Tuesday, playing host to Alton at the new Steeler Field located behind the year-old high school.

Coach Bob Kehoe has narrowed the varsity squad prospects from 56 to 18 players but views his team as not being fully ready to play next week, citing a lack of practice sessions and indecision as to what players will play in key positions.

"We need more workouts," said Kehoe, "to alleviate weak spots in the team."

"I keep changing players

around to maybe strengthen these points, but so far I haven't been able to find the right combination."

"We have a multitude of forwards and halfbacks," he commented, "but the void left in the backfield by departed seniors is giving us headaches."

Kehoe speculated at the end of the 1973 season that the then junior Rick Worthen, who held a spot in the backfield, would give the 1974 team some of the strength and balance it would need.

"Worthen broke his ankle this summer," said the mentor, "and although he has the cast off his leg, he is still limping and

responding very slowly to treatment and therapy."

"He was to fill the middle back spot again this fall, one of the main defensive spots in guarding our goal."

The North coach feels he should have a tentative starting lineup pre-selected by this weekend. But "with inexperienced players in key positions, I definitely have to re-evaluate my outlook as to how far this team will go."

"By the time we reach the GCHS North-South game on Sept. 17," concluded Kehoe, "I'll have an idea as to whether or not we have a potential state championship team this year."

Close contention for drivers' season title

The battle for track championships at Tri-City Speedway was lightened and tomorrow's competition in both late model and sportsman class stock car racing could produce new point leaders.

Len Gitemiere of St. Charles, Mo., with three feature race wins to his credit, and holds a 115-point lead (1,880) over Russ Wallace, Arnold, Mo., in late model competition.

Bill Scherer, Wab Spalding and Ken Schrader fell behind in the standings after failing to compete here last week.

Scherer, third with 1,520 points, made an attempt to race but blew a head gasket on his car's engine.

Spalding, defending champion from Ponton Beach, is letting his 1,515 points stand and is competing in Missouri and Illinois championship races.

Next with 880 points is Missouri's Kenny Schrader. He, like Spalding, did not compete here in order to save his dirt-track car for a race at the Missouri state fair grounds.

Spalding, who placed sixth Sunday in the Missouri state championship race at that

state's fair, has given all indications that he is planning to compete for the remainder of the season in championship races only and not defend his crown at Tri-City Speedway.

With only 30 points separating point leader John Wolfmeyer, who has 1,110 points, and Rod Bailey of Granite City, tomorrow's sportsman class rivalry promises to be spirited.

Expected to add fuel to the already hot point race is that the cars and drivers will not race their 120-point feature event on one track, but will utilize both the quarter-mile and half-mile ovals.

The feature race will be in the form of a double-O race.

The cars will start on the small track and, upon completing one full lap, will take to the half-mile track. Each lap thereafter will then be alternated between the small and large ovals as the lead cars complete each lap.

Tomorrow's program will begin with time trials for the late models at 7:30 p.m. Racing events for both classes will begin at 8:30 p.m.

Cleek motorcycle champ for season

Oklahoma's Randy Cleek is the 1974 champion American Motorcycle Association sanctioned short-track racing here at Tri-City Speedway.

Cleek was crowned Tuesday evening at the local speedway after heavy rains forced cancellation of what was expected to be a wire-to-wire battle for the title between Cleek and Texan Guy McClure in the season finale.

McClure had led with four feature race victories to his credit until Cleek closed the point gap Aug. 13, when the Texan rider could muster only a third-place finish in the main event.

Trailing the leader by only one point, 21-20, going into last week's program here, Cleek moved into the top spot by capturing the feature race. McClure failed to earn points that day, as he was injured in an accident during a preliminary event.

The Oklahoma racing star was victorious in just two main event races here to earn 10 points, but his consistency in placing second and third in the only point-paying race paid off to give him a total of 25.

Though the Lone Star state failed to produce a track champion here this year, it had done for the previous two seasons—Robert E. Lee was the titleholder in 1972 and 1973—and the riders dominated the weekly program at Tri-City Speedway by winning seven of 10 feature races.

Other than McClure's four wins, James Lee captured two and Mike Kidd one. St. Louis Neil Ken, a former champion here, captured one feature race.

Local riders Glenn Falter, Danny Durbin, Cliff Wilkinson and Jack Huether won their share of preliminary races but never fared well in the big one.

Cross-country runners prepare for new year

Granite City High School North cross-country mentor Pete Robinson hopes that his second-year team can start its 1974 season by repeating last year's opening feat of winning.

The Steeler runners defeated Wood River in their 1973 opener but this season must face GCHS South on Sept. 5 to kick off the season here.

"Dave Tanner," said Robinson, "is our only senior letterman returning this season."

"But we have good strength in junior Dave Fuchs, who is an outstanding distance runner, and sophomore Mike Becher, who last year turned in some fantastic performances."

The Steeler mentor reports that of the 30 athletes who have attended practice, several newcomers are showing signs of being first-string prospects.

Noted thus far for their performances during twice-a-day sessions are freshmen Mike Baker and Steve Crab, sophomores Dave Peters and Don Lucy, junior John Gilley and senior Neil Person.

"These boys will be participating in cross-country for the first time," said Robinson.

He added that he is also happy with prospects at the freshman and sophomore team levels, and feels that "eight or nine freshmen have the potential right now of being starters."

Speculating on the North-South season opener, he remarked, "We'll have our job cut out for us. South is going to be tough to beat."

"They should be one of the top teams in the area this year, with Dwayne Terry blazing around the courses."

"Of course, we might have an 'ace' up our sleeve that we aren't revealing."

South grid frosh

Fall 1974 football schedule of GCHS South freshmen: (All but final games start at 4 p.m.; home games are played at South Field.)

Sept. 12—Granite City North here

Sept. 19—at Alton North Jr. High

Sept. 26—at Belleville East

Oct. 3—Cahokia here

Oct. 10—at Edwardsville

Oct. 17—Collinsville here

Oct. 31—at Belleville West 6:30 p.m.

3 soccer Cougars back from Japan

Three key players on the Southern Illinois University at Edwardsville soccer team who have been performing with the United States Olympic squad in games this summer in Japan rejoined the Cougar kickers in their pre-season practice sessions Monday.

The trio consists of John Stremela and Chris Carena, both strikers, and mid-fielder Bobby Kessen.

SIU-E's soccer team will make its first season appearance Saturday in a 1:30 p.m. exhibition contest with the touring MacKenzie University eleven of Sao Paulo, Brazil, at Cougar Field.

Bob Guelker, coach, said, "Our one-a-day practice sessions have gotten all the players in good shape; in fact, most reported in near top condition and everyone is ready to go."

Guelker was asked about the Brazilians. "I have never seen them play, but last season on a similar tour in the U.S., they played five eastern universities in pre-season games and won four and tied the other. They play an exciting brand of soccer and are rated equal in strength to our top collegiate teams."

Guelker, who is also athletic director at SIUE, announced that season soccer tickets are now on sale at his office, in U. J. Lovejoy Library building, at the following prices: adults, \$7; students (not SIUE, who are admitted free) under 18 years old, \$3.

Including the two exhibition games, the Cougars will play 10 home contests. Tickets for adults at the gate are \$1.50; for students, 50 cents.

On Sept. 7, the Cougar kickers will play an exhibition game, with SIUE alumni furnishing the opposition.

Seek bowlers averaging 190

The Max Legate Memorial Classic League is seeking three bowlers who have averages of 190 or better to join the league competition held every Wednesday at Bowland Lanes, 506 Nameoki Road.

Interested persons are to contact Don at Bowland, 931-0505.

Hole-in-one

Greg Mulach, 12, of 50 Terrace Lane, a seventh grade student at Coolidge Junior High School, scored a hole-in-one on the 14th hole at the Yorktown Golf Club, Belleville, during the weekend.

Mulach was playing with his father, Jack Mulach, principal of Maryville School, and with Ken and Don Myracle of Granite City.

FOOTBALL PREPARATIONS continue in the Quad-Cities. This scene was photographed as Warrior gridgers of GCHS South conducted pre-season practice

Logas in key offense post

With the opening game of the 1974 high school football season a little more than a week away, Granite City High School North mentor Tom Wyrostek is sure at this point of only one player in the varsity squad's starting lineup.

"Gene Logas," said Wyrostek, "is our number one quarterback. We are working hard now to provide him with players to back him up."

Logas, returning as a senior, last season led the Steelers to a 4-5 season record. The first-year team gained victories over two strong Southwestern Conference schools—Edwardsville and Collinsville.

North handed Edwardsville its first shutout loss (28-0) in that school's past 26 outings.

Against Mattoon, the Big 12 Conference champion, the then-rookie quarterback found himself down 28-0 in the third quarter and quickly engineered three touchdown drives. Time ran out for the Steelers before the rally could go any farther.

"Injuries have not been a factor thus far," says Wyrostek. "Conditioning is taking its toll, with some bruises, cramps and stiffness, but that's normal at this time of the year."

The football mentor feels that the whole team seems to be

progressing normally but adds, "There are so many of them vying for a starting position who have equal talent that we can't possibly make a decision until after more scrimmages."

Leading contenders for starting positions include: David Hamilton, linebacker, Bill Carr and Larry Schleicher, in offensive positions. Dale Anderson and Wade Huff, tight ends, James Woodward tackle, and Mark Sprankle, defensive end.

Hodge said boys 14-18 years of

Teen ice hockey team again being organized

An organizational meeting of the Granite City Ice Hockey Club will be held at 7:30 p.m. at the Wilson Park Ice Rink pavilion.

Couch William Hodge asks that players, parents of players and other interested persons attend the meeting to discuss forming a team to compete in the MacClair Ice Hockey League's winter program, scheduled to start Nov. 1.

Last year's Granite City team finished its 17-game schedule with a 5-12 record and was fourth overall in league standings.

Additional information may be obtained by contacting him at 877-0464.

Game-type practice for Madison eleven

Vonder Haar, Madison High School football coach, will have his Trojan squad on the field Friday Saturday morning in double-scrimmage sessions to "see just what everyone can do in a game-like situation."
"We are concentrating everything on the varsity squad right now," said the head coach. "We'll make our cuts to fill the sophomore and freshman squads after our first cut session."
The Trojans will open their season at home Saturday, 7, against Wentzville, Mo.

Register flag football team

The Royal Order of Christian Americans will hold a registration meeting at 11 a.m. Saturday for boys 8-9 years-of-age interested in playing flag football on the Roca team during the upcoming Granite City Park District fall program.
Craig Bailey, club president, said registration will be accepted from the first 18 boys who report to the meeting to be held in Room Three of the Nannook Recreation Center, Amos and Franklin Avenues.
Boys desiring to participate are not required to furnish their own equipment, as the Roca Club will provide helmets, shoulder pads and uniforms for the team.

Steelers to open fall golf season

The golfing Steelers of GCHS North will take to the greens at 4 p.m. tomorrow at Wood River for the school's second year of this calendar year of a state golf championship.

North golfers this spring were eliminated from further competition after losing their own district meet at the Arlington Golf Course and finished the season with a 6-10 record.
Friday's opener gives the Steelers a two-week jump on GCHS South and many of the other area schools. South will not begin its season until Sept. 13.
Leading the Steeler effort at Wood River is Tim Behrens.

who at the end of the spring season was chosen as the squad's most consistent golfer. He led the team ten times in low scoring and had his best score, a three-over-par 39, in three different meets.

Aiding the Steeler effort also will be Dave Dodson, Gary Eaker, Brian Winfield and Bob Behrens.

Bob Behrens is the newest member of the team. The sophomore player participated in baseball during the spring golf season.

The North golfers are guided by Coach Harry Lane. Tomorrow's golf meet will be the first ever between North and Wood River.

Women's teams in park holiday meet

The 1974 Granite City Park District women's double-elimination softball Labor Day tournament will get under way at Wilson Park tonight with the defending champion Petrillo Produce meeting the Rebels at 7 o'clock.
Bill's Auto Body and Corniches meet at 8 p.m. today and Mercer takes on the Basesters at 9 p.m.
Tomorrow at 7 p.m., first-round action resumes with Lahey Funeral Home meeting Kentucky Fried Chicken. Apple Valley and Colonial Haven will meet at 8 p.m., and Matson and Clean Craft at 9 p.m.
Kuehner Hardware and Sammy's Tavern drew a first-round bye. Each will compete in

games scheduled for Saturday. Sammy's, at 1 p.m. Saturday, will play the winner of tonight's Petrillo-Rebels game. At 4 p.m., Huebner meets the victor of the Matson-Colonial Haven contest. Other games on Sat. Saturday pit the winners of today's and Friday's contests against each other, one game at 2 p.m. and the other at 3 p.m.
Four games are slated for Saturday evening, at 6, 7, 8 and 9 o'clock, with more competition at 1, 2, 3, 7, 8 and 9 p.m. Sunday and at 1, 2 and 7 p.m. Monday.
The title game is set for 8 p.m. Monday, followed by another game at 9 p.m. if necessary to record a second loss for one of the two surviving teams.

Women's soccer proposed to park

Residents of the Granite City Park District may see the initiation of the park district's first soccer program.
The board last night referred a letter received from the Granite City Women's Soccer Association—requesting that the park district include the association's activities in the park recreational program—to Robert Patrick, chairman of the board's Municipal Relations Committee, for study and recommendations.

The soccer association, consisting of women of high school age and older, was formed last fall, with five teams participating in a 20-game schedule.
In the letter, signed by managers of the association, it was noted that due to increased community interest in the sport, seven teams are anticipated this fall.
Having operated with volunteer leadership last season, the association said it feels the program would be further enhanced by park district supervision.

Tools, office machines taken

A large quantity of tools and drills, four typewriters, three calculators, a dictaphone and several other items were stolen from Midwest Steel, 1197 Twenty-second St., it was reported at 1:35 p.m. yesterday.
A cleanup crew reported finding the office ransacked and the office equipment missing. Officials checked and noticed a hole had been cut in the west side fence.
A hole also had been cut in the overhead door to the warehouse and shop area, and the office door had been forced open. Another office in the warehouse also had been ransacked.
An inventory was being taken to determine what had been taken. Among the items missing is a large quantity of new tools and drills, it was disclosed.

AUTO IS STOLEN
The auto of Christine Evers, 2805 Maryville Road, was stolen from the rear of the Bellefonte Village Shopping Center, it was reported at 1:50 p.m. Wednesday.

New adult season passes for North athletic events

Gilbert Walsmley, principal of Granite City High School, announced today that the Board of Education has provided an adult season pass for all home football, basketball and wrestling events.
Normally, adult admittance to athletic events is \$1.50. All of the home games or meets will cost \$1 per event if a season pass is purchased. During the 1974-75 season, North will have five home football games, nine home basketball games and eight home wrestling meets.
Adults are being requested to report to the main office of GCHS North starting Sept. 3, 1974 if they desire to purchase the season pass.

Gushleff heads Madison Zoning Board of Appeals

William L. Gushleff, 1671 Fourth St., Madison, was appointed chairman and to a seven-year term on the City of Madison's Zoning Board of Appeals by Madison Mayor Mike Sasyk at a City Council meeting Tuesday evening.

Other members of the new board and the length of their terms are: George Amisch, six years; William Vavra, five years; Steve Riedig, four years; John Piechowski, two years; Alex Schoenhoff, two years; and George Wallace, one year.

The council on April 9 passed a zoning ordinance dividing the city into residential and business zones and providing for specific types of structures in various areas. Zoning change proposals are to be referred to the new board.

A copy of the zoning ordinance is available to the public at the office of Al Hudzik, city comptroller, 1529 Third St.

Rains slowing Ketter tourney

The Granite City Park District's annual Ruff Ketter men's Softball Tournament, which began last Friday, will not be completed at Worthen Park until Friday, Sept. 6.

Semifinal games were to have been played Tuesday but heavy rains have caused the diamonds to become saturated and not usable.

The tournament will resume at 5 p.m. Sept. 6, with American Legion Post 307 meeting L&W Movers. At 7 p.m., Millie & Mickey meet Madison Amvets and at 9 p.m. Granite City Post Control will play the winner of the American Legion-L&W contest. Winners of the latter two games will meet each other at 9 p.m. to decide a tournament champion.

Sewer

(Continued from Page 1)

The refunds will need to be authorized by the City Council before checks totaling about \$5,000 can be returned to those who have paid in advance, he explained.

In December 1972, a moratorium was declared in the Nameoki area only—the area of the former city of Nameoki which was annexed by Granite City in 1949. Billing in that area had to be resumed Oct. 1, 1973, when it was determined that funds on hand were insufficient to retire the bonds.

The moratorium declared by the City Council Monday extends to the former moratorium area and adds the Particular 2 area.

Rutledge said homeowners may determine if they are in the Nameoki area or in Particular area 2 or by checking a former monthly sewer bill stub.

If printing on the stub is blue, monthly billing will be continued. Only the bills for Particular area 3 are printed in blue ink.

If the stub is black, billing for these areas is being discontinued, at least temporarily. Bills for the Nameoki area and also Particular area 2 are printed with black ink.

If the stub is green, it is the stub from the quarterly sewage treatment bill and has no bearing on whether monthly billing will continue. All areas of the city receive the green sewage treatment plant bill each three months.

Residents of the areas in which a moratorium have received a bill for the month which will have a notice of the moratorium printed on it. There will be no total due on that bill.

If a net total is indicated and no notice of moratorium is on the bill, then it should be paid, it was explained.

The news of relief for residents of most of the city on their sewer bills comes only one week after the council announced the quarterly sewage treatment plant charge was to increase from \$2.70 per month to about \$5.10 per month.

The increase is to pay for construction and operation of the city's new secondary sewage treatment plant, now being constructed at the Granite City Army Installation, as well as operation of the present primary treatment plant.

The Illinois Environmental Protection Agency still has not given approval to the rate schedule, which increases all treatment bills.

If the EPA recommends changes in the rates, the City Council will have to approve the changes before the amount of the quarterly bill changes from \$5.10—either upward or downward.

Liable to be given some weight by the EPA in consideration of the new rate schedule are the objections of large water users here. Their rates under the graduated scale have increased as much as 240 per cent.

City Clerk Robert W. Stevens, whose office prepares the quarterly sewage treatment bills, said Tuesday that the next bill, which should be received by home owners about now, definitely will be \$5.10, with any necessary adjustments being made on subsequent bills.

While are beyond the point of no return on changing the first bill, Stevens said.

Jones to leave Metal Services

David N. Jones of Lake St. Louis, Mo., said today he is resigning as a director of Piper Industries, Inc., of Memphis, Tenn., and president of Metal Services, the Madison division of Piper Industries.

He is still chairman of the board and majority stockholder of the Steelbrade Corp. of Granite City.

His resignations are effective Aug. 26 with Piper and Sept. 15 with Metal Services. He has no immediate plans for the future.

He commented that Metal Services has emerged since the late 1960s as the largest steel warehouse processor in the St. Louis area. It operates three shifts, employing 150 people, and has annual sales exceeding \$6 million. A \$1 million bond issue for plant improvements has just been completed.

Steelbrade was organized here by Jones in 1967 and Metal Services was established in 1969.

Workers in many sections of the plant will be affected, as the company utilizes the reduction in production to complete maintenance and improvements at several rolling mill departments. Those departments are expected to experience only one-week layoffs.

The basic oxygen furnace will operate only 14 "turns" (eight-hour shifts) per week, rather than the around-the-clock 21 turns now in effect. The 14-turn schedule will be observed until the "A" furnace has resumed production.

A spokesman said, "Never more than 300 or 400 persons will be laid off at the peak of the shutdown, and many of those have scheduled vacations for that period." The plant now employs 5,275.

The "A" blast furnace last was relined between July and September of 1971.

Workers in many sections of the plant will be affected, as the company utilizes the reduction in production to complete maintenance and improvements at several rolling mill departments. Those departments are expected to experience only one-week layoffs.

The basic oxygen furnace will operate only 14 "turns" (eight-hour shifts) per week, rather than the around-the-clock 21 turns now in effect. The 14-turn schedule will be observed until the "A" furnace has resumed production.

A spokesman said, "Never more than 300 or 400 persons will be laid off at the peak of the shutdown, and many of those have scheduled vacations for that period." The plant now employs 5,275.

The "A" blast furnace last was relined between July and September of 1971.

Workers in many sections of the plant will be affected, as the company utilizes the reduction in production to complete maintenance and improvements at several rolling mill departments. Those departments are expected to experience only one-week layoffs.

The basic oxygen furnace will operate only 14 "turns" (eight-hour shifts) per week, rather than the around-the-clock 21 turns now in effect. The 14-turn schedule will be observed until the "A" furnace has resumed production.

Furnace relining to start Sept. 7

Granite City Steel today announced plans to shut down the "A" blast furnace Sept. 7 for about 60 days to reline the bricks in it.

Several hundred workers at the plant will experience layoffs for periods ranging from a week to the full 60 days.

Relining of the "A" (eastern) furnace was planned for earlier this summer, but a demand for more iron caused the shutdown

to be delayed several times. Workers in many sections of the plant will be affected, as the company utilizes the reduction in production to complete maintenance and improvements at several rolling mill departments. Those departments are expected to experience only one-week layoffs.

The basic oxygen furnace will operate only 14 "turns" (eight-hour shifts) per week, rather than the around-the-clock 21 turns now in effect. The 14-turn schedule will be observed until the "A" furnace has resumed production.

C Merchants vs. Maxine & Bob's 1 p.m.

Brothers Two vs. Den 2 p.m.

Stars vs. Mendoza 3 p.m.

ole & Mary vs. Croatian Home 4 p.m.

ook's vs. Woodie & Lil 6 p.m.

A Bookkeeper vs. Millie & Mickey 7 p.m.

ictory Tavern vs. Raiders 8 p.m.

LR's vs. Bethel 9 p.m.

SUNDAY, Sept. 1

rcer vs. Croatian Home B 1 p.m.

teaway Loan vs. Sammy's 2 p.m.

Other games Sunday will be played every hour beginning at 1 p.m., and the last one starting at 9 p.m.

On Labor Day at Worthen Park, there will be games every hour beginning at 1 p.m. Action will resume Tuesday at Wilson Park at 4 p.m.

Charles Hackett dies today

Charles R. Hackett, 55, of 1720 Market St., Madison, was pronounced dead at his home at 3:30 a.m. today by Madison County Deputy Coroner Thomas Sartorius.

He had been ill two months under a physician's care for heart ailments.

Mr. Hackett had been employed 37 years as a steelworker at Granite City Steel. He was a native of Yorkers, N.Y., and a resident of the Quad-Cities the last 51 years.

He was a member of the First United Presbyterian Church of Yorkers, N.Y., where Mrs. Anna Hackett, died in 1963.

Surviving are three daughters, Miss Irene Hackett, 31, of Granite City; Miss Charlie Hackett of Mitchell; and Miss Jose Hackett of Madison; and a son, Lewis Hackett of Edwardsville.

Funeral arrangements are given in today's obituary column.

Illinois state lottery said Justice Department investigators checking lotteries in 13 states will find no federal law violations in the Illinois program.

A public hearing has been called by Sheriff John Maeras at 7 p.m. Sept. 10 in the County courthouse so that citizens and state legislators can discuss ways to solve crime control in incorporated areas. Special deputies have been assigned, and a legal opinion is being waited on a new "safety supervisor" system authorized by the Madison County Board.

The Illinois Board of Elections has restored the Socialist Workers Party to the November ballot, reversing a ruling last week based on "administrative error." Parties still excluded are the American Independent, Socialist-Labor and Communist.

Gov. Daniel Walker signed Tuesday a bill providing \$3,000,000 for state college scholarships, including some or part-time students.

The system that keeps autos from starting until seat belts are fastened will not be required in new cars, the U.S. Dept. of Transportation said Tuesday; 1975, and 1976 models would have had to include the interlock system.

Federal safety officials said they will press for use of air bags in autos built in 1977 and earlier, estimating that the safety flating bags could save 15,000 lives and prevent a million injuries yearly.

R. Dron Electrical Co. has been awarded a \$30,281 contract for traffic signal modernization at Nameoki Road and East 23rd Street. The bids have been opened on intersection and traffic light improvements at Route Three and West Pontoon Road.

Supt. Ralph Bunch of the

Track, iron theft value tops \$50,000

About two miles of steel railroad tracks and a large quantity of scrap iron were stolen from a vacant rail yard about a mile east of the Cloverleaf Subdivision near Madison, it was reported to the Madison County Sheriff's Department at 1:05 p.m. yesterday.

The loss was estimated at \$50,000 to \$80,000.

The rail yard, owned by the Norfolk & Western Railroad, was leased to the M. S. Kaplan Co., Chicago, for salvage operations.

The Kaplan firm contracted with McKinley Iron Co., St. Louis, to conduct the reclaiming of the railroad tracks and scrap iron in the yard.

McKinley Iron Co. employees were to begin operations yesterday, but noticed that much of the track and iron already had been removed. They found a truck-crane, a car containing tools, an acetylene torch and several rails cut into 15 foot lengths at the scene.

Sheriff's deputies are attempting to identify the owners of the car. They have determined that the crane was rented.

A sheriff's department spokesman predicted this morning, "If information we have is accurate, we expect to close the case within 24 hours."

CB RADIO STOLEN

Bob Copeland, 2061 Rhodes St., Madison, reported at 4 p.m. Tuesday the theft of citizen band radio equipment, valued at \$139, taken from his auto while the car was parked in a lot at the American Steel Foundries.

Schnuck succeeds Veeder in leading drive for more jobs; thousands aided

Edward J. Schnuck, chairman of the board and chief executive officer of Schnuck Markets, Inc., has been appointed metropolitan area chairman of the National Alliance of Businessmen for the 1974-75 year, with his appointment approved by the White House.

The Alliance is beginning its eighth year of providing job opportunities in business for the poor and disadvantaged and veterans and finding summer and part-time jobs for poor youths.

Members of Civic Progress, Inc., have helped meet the cost of NAB activities in the bi-state St. Louis area in past years. Harold E. Thayer, president of the Saint Louis Regional Commerce and Growth Association, announced this week that RCGA is joining Civic Progress in providing support for NAB.

Thayer said it is expected this will broaden the base of business participation in NAB programs.

Schnuck succeeds Nicholas P. Veeder, chairman and chief executive officer of the Granite City Steel Division of National Steel Corp., who was metropolitan area chairman for NAB for the 1973-74 year. In that period, NAB cooperating employers placed 7,995 poor and disadvantaged persons and 2,876 veterans in jobs and provided summer and part-time jobs for 4,978 youths.

These were increases over the previous year and above targets set by the NAB national office in Washington.

NAB also has begun to find jobs for ex-offenders and expects to intensify this program in the coming year.

Schnuck pointed out this week that the objective of NAB is to solicit members of the business community for job commitments and facilitate the actions required to get the people on the jobs and keep them there.

NAB works closely with the Manpower Administration of the Department of Labor and the Employment Services of Missouri and Illinois.

They locate the people—whether disadvantaged, veterans or youth—to fill the jobs offered by business and, in some cases, provide training contracts under which employers can be reimbursed for the extra costs of hiring and training the disadvantaged.

Participation in the NAB effort is considered to be an affirmative action program and records are kept by NAB for each participating company.

"American business is being judged today as never before in its response to community needs and social problems," Schnuck said. "With the Regional Commerce and Growth Association now involved in this effort, we should be able to build the widest possible support for our program."

Schnuck heads the largest retail food chain in the metropolitan St. Louis area. He also is president of the Super Market Institute Inc., Chicago, director and past chairman of the board, Staff Supermarket Associates, Inc., Jersey, N.Y., and director, National Association of Food Chains.

Voices threats

An unidentified man with short blonde hair entered the Good Neighbor Tavern, 912 Niedrigg Ave., Tuesday, described as being in the late 20s, weighing 170 pounds and about five feet, nine inches tall, the man told the tavern employees. "The man that was shot has friends."

He reportedly reached over and removed the glasses of the bartender and said, "I ought to shoot you." Turning to the janitor, he added, "I ought to cut you up." He left the tavern after telling the two, "I'll be back."

Officers said they were unable to relate the threats to any specific shooting incident in the city.

TAKE 40-FOOT LADDER

A 40-foot extension ladder, valued at \$135, was taken from the home of Henry Hindman, 2314 Hodges Ave., the owner reported at 4:40 p.m. Tuesday.

Washington, D.C., General Grocer Co., St. Louis, and National Live Stock and Meat Board, Chicago.

Schnuck is chairman of the board and federal reserve agent of the Federal Reserve Bank of St. Louis, a member of Civic Progress, member of the board of trustees of Washington University, member of the president's council of St. Louis University, member and past president of The Backstoppers, member of the executive board

of the St. Louis Area Council of the Boy Scouts of America, and a director of the Municipal Theatre of St. Louis.

He is a director and past chairman of the board of the Better Business Bureau of St. Louis, a corporate member of the Board of Blue Cross Service and a member of the executive committee of the United Fund.

The National Alliance of Businessmen has 160 metropolitan offices nationwide.

Driver hurt at plant entrance

A collision between an Illinois Power Co. truck and an auto at the entrance to A. O. Smith Corp. on Route 3 at 4 p.m. Tuesday resulted in injuries to the car driver, Arthur A. Lucash, 45, Freeburg, Ill.

Lucash, taken to St. Elizabeth Hospital, was treated for injuries to the left shoulder, ribs and right hand. He had x-rays taken and was released. Robert W. Smith, 35, of 2410 W. 20th St., driver of the truck, suffered no apparent injuries.

Mrs. Castillo dies at 75

Mrs. Jessie R. Castillo, 75, of 1646 Spruce St., Ill. for 25 years, died at 6:40 p.m. Tuesday at St. Elizabeth Hospital, where she had been a patient for one day. Born in Salomonca, Mexico, she had resided in Granite City for 53 years.

Mrs. Castillo was a member of St. Joseph Catholic Church and the Mexican Honorary Society.

Her husband, Ottilio Castillo, died in 1943.

Survivors include six sons, Larry, Michael, Norman and Joseph Martinez, all of Granite City, Anthony Castillo of St. Louis and Alfred Castillo of Granite City; four daughters,

Mrs. Gregory (Jennie) Alvarado, Mrs. Thomas (Irene) San Souel and Mrs. Mary Scanlan, all of Granite City, and Mrs. John (Theresa) Kennedy of St. Louis; 28 grandchildren and two great-grandchildren. Funeral arrangements are given in the obituary column.

MARRIAGE LICENSES

Marriage licenses have been issued to the following Quad-City residents in St. Louis: M. B. J. Byrne, St. Louis, and P. V. Day, Granite City. And C. H. Neff and D. J. Walker, both of Madison.

Tickets issued in Rock Road mishap

A two-car accident at 3:25 p.m. Tuesday in the 3400 block of Rock Road resulted in both drivers receiving traffic tickets.

Issued citations were Rodney R. Lochmann, 1512 Lindell Blvd., charged with driving on an expired license, and Irene L. Bertels, 2405 Rock Road, charged with a right-of-way violation.

Mrs. Bertels, who was entering the driveway at her home, sustained a minor injury.

CALL YOUR REALTOR MORRIS REALTY CO. 878-4400

EDWARD J. SCHNUCK, chairman of the board and chief executive officer of Schnuck Markets, Inc., who has been appointed St. Louis metropolitan area chairman for the National Alliance of Businessmen.

NICHOLAS P. VEEDER, chairman and chief executive officer of the Granite City Steel Division of National Steel Corporation, who has served as metropolitan area chairman for the National Alliance of Businessmen for the last 12 months.

Union Label Week is proclaimed

WHEREAS the American labor movement has, throughout its history, attempted to improve working conditions and wage standards that are far superior to those anywhere else in the world through the processes of collective bargaining with fair employers;

AND WHEREAS organized labor's distinctive emblems—the Union Label, the Shop Card, the Store Card and the Service Button—are living symbols of highest quality, cooperation between workers and their employers and a fine example of the American way of life; and

WHEREAS the American Federation of Labor and Congress of Industrial Organizations and its national Union Label and Service Trades Department, which sponsors and produces Union Label Week, have unanimously designated the period Sept. 28, 1974, as Union Label Week;

NOW, THEREFORE, be it known that I hereby proclaim the week of Sept. 28 as Union Label Week in the City of Granite City.

I call upon all citizens to observe this special period in honor of organized labor by displaying the Union Label, Shop Card, Store Card and Service Button and by patronizing the products and services of union labor which are identified by these time-honored emblems.

PAUL SCHULER, Mayor, Granite City

Mitchell Athletic festival Sept. 6-8

The Mitchell Athletic Association will sponsor its 15th annual fall festival Sept. 6 through Sept. 8 at the athletic field in Greenway Village, Mitchell.

Plans for the public event were announced today by Harry Breckner, association president.

Festival hours will be from 6 p.m. to 1 a.m. Friday, Sept. 6; 1 p.m. to 1 a.m. Saturday, Sept. 7; and 1 p.m. until midnight on Sunday, Sept. 8.

Music groups playing contemporary rock to country-

western numbers will be featured each evening, together with carnival rides, game booths and home cooked food. Kiddie matinees on the midway rides at reduced cost are scheduled from 2 p.m. to 5 p.m. Sept. 7 and 8.

Carnival ride tickets are available at 20 cents each or half price, if purchased in advance of the opening date, Breckner said. They may be obtained from several Mitchell area merchants, including W & W Confectionery, C & W Grocery store, Gene's Barber

Shop and Frandy's Dairette, among others.

Organizations wishing to sponsor a booth at the festival site may reserve space by calling Al Hallett at 931-3154, the association officer said.

A major share of the festival's proceeds will help to purchase 3 1/2 acres of ground the association has acquired. The tract is located north of East Chain of Rocks Road in Mitchell.

The remaining funds will be used to buy equipment for youth teams sponsored by the

GRANITE CITY PRESS-RECORD
Thurs. Aug. 29, 1974 Page 18

MESSANGER QUARTET AT PENTECOSTAL CHURCH

A gospel singing program will be presented at 7:30 p.m. Sunday, at the Pentecostal Church of God, 24th Street and Bromley Avenue. The public is invited to attend.

The Rev. Ernest Hale, pastor, said the featured singers will be the Messenger Quartet from Pekin, Ill.

MAA. At present, the association sponsors 15 girls' softball teams, 15 boys' baseball teams, seven soccer teams and 16 basketball squads.

The MAA is planning to organize and sponsor a girls' volleyball league this fall, Breckner said.

Camp-o-ree date change

The dates of the Unihav District Boy Scout camp-o-ree at Hazel State Park, Carlyle, Ill., have been changed to Oct. 11, 12 and 13, according to W. F. "Mick" Strange, district camping chairman. The previous dates were Sept. 20-21-22.

The change in dates was made at the request of scouts who felt that, with the recruiting of new scouts at Sept. 19 "School Night for Scouting" programs, the new scouts would lack enough knowledge to compete immediately in a camp-o-ree.

The Cahokia Lodge of the Order of the Arrow is holding a major function at Camp Sunnen Sept. 13, 14 and 15.

Woman treated

Mrs. Patricia White, 31, of 3705 Kirkpatrick Homes, was treated at 10:10 p.m. Tuesday for lacerations and abrasions to the left arm. She reported sustaining the injuries when pushed down a flight of stairs and falling against glass in the front door. She had x-rays taken and was released.

Charged with battery was her husband, David White, 43, of the Kirkpatrick address.

HOME BURGLARIZED

A tape player, a radio and two speaker sets, all worth a total of \$450, were stolen from the home of Olene Holman, Rural Route Two, it was reported at 10:40 p.m. Monday. Residents noticed the utility room window and rear door were open when they returned home.

SIUE soloist at Nameoki church

Robin Nunn, a member of "Save the People" concert chorale at Southern Illinois University at Edwardsville, will be the soloist at 10:45 a.m. Sunday at Nameoki United Presbyterian Church.

The featured singer will present "Prepare Ye the Way of the Lord," the Rev. Don F. Pierson, pastor, said today. He noted the SIUE Chorale recently returned from the 10th annual International Choral contests at Spittal, Austria, where the group received top honors.

At Sunday's service, the Rev. Pierson will begin a series of messages with the topic "God Can Make Your Life Count."

The minister said work will start this week on the \$46,000 remodeling program to the church interior, a project

Band parents to meet at North

Parents of band and pompon squad members at Granite City High School North are being invited to attend the first 1974-75 meeting of the North High Band Parents Association at 8 p.m. Tuesday in the school library. Delton Groothuis, president, said band activities will start immediately with participation in the Shriners parade on Wednesday night and four half-time performances at football games during September.

An outdoor baptism in Long Lake was well attended Sunday afternoon by members of the Cedar View and Graceland Baptist churches. Candidates for baptism were Tommy Plagemann, Willie Grigsby and Mr. and Mrs. Joe Pulley. Oldtime singing and testimonies were held.

REUNION HELD BY TUCKER COUSINS

The annual reunion of the Tucker cousins was held Sunday at the Westerner Club near Alton.

There were 90 present, including Mr. and Mrs. Joseph Fox and daughter, Janet, Mr. and Mrs. William Glowski, Mr. and Mrs. Lonnie Dye Jr., Mrs. Ada Nickels, Mr. and Mrs. Jim Lindsay and children, Tracy and Julie.

Mr. and Mrs. Fred Fox and son, Fred Jr., Mr. and Mrs. Virgil Hudson and son, John

Mark, and Mr. and Mrs. Thomas Martin, all of Granite City.

Mr. and Mrs. Willard Tucker, Mr. and Mrs. Richard Trebing and sons of Madison, Mr. and Mrs. Leon Tucker of Mountain Home, Ark., Mr. and Mrs. Bruce Tucker and daughters, Brandy and Lori, of Bethalto,

Mr. and Mrs. Herman Johnson and son, Leven, of Sparta.

Miss Stacey Nickels of Wood River, Mr. and Mrs. Wiley Tucker of Des Arc, Mo., Wiley Lee Tucker of Piedmont, Mo., Mr. and Mrs. Don Byrd and children.

Verna, Mary, Peggy, Donnie, Donna and Cheryl Wallace of Bunker Hill, Mrs. Merle Eggemeyer and daughters, Betty, Carol, Annette and Doris, Mr. and Mrs. Paul Johnson, Tony and Tim Johnson of Baldwin, Ill., Mr. and Mrs. Bill Gill and daughters, Sheila, Shari and Wendy, of Alton.

Mr. and Mrs. Kenny Faulkner, Mr. and Mrs. Nick Kinsley and Robin Kinsley of Elizabethtown, Ind., Mr. and Mrs. James Faulkner of Edwardsville, Mr. and Mrs. Clarence Brown and children, LaDonna, Timmy and Rachel, of Godfrey.

Fred Tucker of Godfrey, Mr. and Mrs. J. P. Faulkner and daughter of Edwardsville and Mrs. Shirley Harris and sons of Alton.

Picnic games and contests were held, with prizes going to Tim Brown, Wiley Tucker, Joyce Gill, Rosalee Hudson and Thomas Martin.

This reunion has been held for more than 30 years. The cousins' parents started it and all have since passed away; the coupling have continued it annually.

Mr. and Mrs. William Dickerson and son, Tim, have

returned from a vacation trip to Southern Missouri. They visited Mr. and Mrs. Kenneth Elayer of Reed's Spring and enjoyed a day at Silver Dollar City. They also visited with the Rev. and Mrs. Jerry Hart and family of Sikeston, former residents of Pontoon Beach.

HONORED AT SHOWER

Mrs. Rebecca Flowers was the honored guest at a shower in the fellowship hall of the Pontoon Baptist Church. Games were played and prizes were given to Lucille Martin, Elizabeth Pauls and the honoree.

Refreshments were served to Laura Lee Flowers, Cherine Rodriguez, Mattie Falter, Susan Flowers, Joan Flowers and daughter, Bridgette, Dorothy Flowers, Geraldine Rodriguez, Margie Groppe, Edith Harmon and those

mentioned.

The gift table was centered with a decorated cake and a stork.

ANNOUNCE DAUGHTER

Mr. and Mrs. Donald (Barbara) Wilkinson of Camden, Ark. are announcing the arrival of their first child, a daughter, Aug. 16, weighing seven pounds, 12 ounces. She has been given the name of Marisa Gae.

Mrs. Wilkinson will be remembered as the former Barbara Shirley of Pontoon Beach. Maternal grandparents are Mrs. Doris Shirley of Camden and the late Herby "Red" Shirley. Paternal grandparents are Mr. and Mrs. Cleo Wilkinson, also of Camden.

Jay Green of Murphysboro spent the weekend with his grandparents, Mr. and Mrs. Roy Green of Pine Street.

Miss Angela Cuccatti of Bluebird Lane was honored on Sunday for her birthday. She and Becky and Elaine Winshoff, Terri Braewell and Crystal Stagg were accompanied by Angela's parents, Mr. and Mrs. Carl Cuccatti, to the Pizza Hut for dinner, returning home later for a swimming party. They were served a dessert luncheon, including a birthday cake. Each guest was presented a gift, and the honor guest received a number of gifts.

Mrs. Faye Boyer was honored during the weekend with a blessed event shower. Hostesses were Anna Mae Allison. Those attending were Mesdames Robyn Watson, Carl and Bert Blenkenkamp, Sheila and Nelle Tankley, Myrtle Tankley, Ruby McGee, Linda Tankley, Carrie Gresham, Thelma Smith, Mary Tankley, Frieda Boyer, Donna Tankley

GRANITE CITY PRESS-RECORD
Thurs., Aug. 29, 1974 Page 19

and Ethel Allison.

Mr. and Mrs. Tom Dudley and daughter, Becky, and son, Tim, have returned from a two-week vacation. They visited his mother and other relatives in Montpelier, Ky. During the second week they were in Quincy and Nauvoo, Ill., and Hannibal and Arrow Rock, Mo. They also did some camping while traveling.

Thomas Martin of Breckenridge Lane received word Sunday of the death of his nephew, Myron Baxter, 44, of New York, who had an apparent heart attack.

Shower fetes

Mrs. Monahan

Mrs. Debbie Wallace Monahan was guest of honor at a post wedding shower given this week at Niedringhaus United Methodist Church.

Hostesses were Mesdames Regina Stickford, Norris Wobley, Gladys Wallace, Eula Davis, Catherine Czernog and Sandy Wallace.

An "old fashioned" theme was used in the table appointments. Hand painted pitchers, skillets and other kitchen utensils centered the tables and the favors were handmade yellow gingham bonnets.

Games were played and prizes were awarded to Mesdames Carol Cathey, Rita Henderson, Eloise Stodnick, Linda Nantell, Gerry Thomas, Carmen Russell, Dorothy Parker and Misses Shelby Cathran, Shawn Del Cathran and Karla Stickford.

Other guests included Mesdames Sheila Coy, Debbie Wofford, Judy Richardson, Jean Stoppotte, Rosemary Bailey, Virginia Monahan, Joyce Hewlett, Clara Wadlow, Patricia Stodnick, Pam Tankesley, Jane Duff, Mary Ann Loftus, Marie Ivie, Mary Wallace, Betty Cathran, Reba Wallace, Donna Leet, Donna Swansen, Misses Shandee Cathran, Willie Fay and Marjorie Hester.

BPW style show plans initiated

Plans for the annual fashion show of the Granite City Business and Professional Women's Club were initiated Monday evening at a joint meeting of the membership possibility and style show committees.

The group was entertained by Mrs. Lois Wetton, membership chairman, and Mrs. Betty Smith at the latter's business address, Miss Betty's Corner Place on Illinois Avenue.

Mrs. Becky Slate, style show chairman, announced Oct. 20 as the date for the fashion event at St. Peter Evangelical United Church of Christ. Details of a fund-raising project also were reviewed, with the winners to be announced at the style show.

Results of a membership drive currently underway were discussed by Mrs. Wetton, who invited any working woman interested in joining the BPW club to contact her at 797-0938. Also attending the meeting were Miss Annellen Smith, club president; Mrs. Rosemary Bassen, Mrs. Marie Hampton, Mrs. Marie Benson, Mrs. Ollie Derr, Mrs. Lorene Sadrakula, Mrs. Versa Lengyl, Mrs. Ann Graklanoff, Mrs. Marie Szymek, Mrs. Pauline Weir and Mrs. Emily Alford.

Lynns to manage camping facility

Paul and Vera Lynn, long-time Granite City residents, moved Wednesday to Pevely, Mo., to begin managing the Safari Camp Ground, located south of Interstate 55.

The couple will oversee camping trailer facilities as well as swimming, fishing and recreation areas.

Lynn was employed 31 years at the Castings Division of General Steel Industries and Mrs. Lynn was a clerk 13 years at The Children's Shop in downtown Granite City.

GRANDDAUGHTER OF GC MAN STARTS COLLEGE

Miss Barbara Heil of O'Fallon, the granddaughter of Waldo E. Mott, 2902 E. 28th St., has started classes at Eureka Christian College, Eureka, Ill. She is majoring in physical education and plans to teach after completing her college work.

Pontoon Lions dance Sept. 6

The Pontoon Beach Lions Club will sponsor a dance starting at 9 p.m. Friday, Sept. 6. Proceeds from the event are to be donated to help equip the new Lions' children's park off Highway 111 in the Lakeview Estates subdivision.

Floyd David Moes, president of the Pontoon Beach Lions Club, said a government survey showed the village and surrounding area needs about seven acres of parks and recreation areas.

When the present park is completed, the club hopes to begin planning for a second park, Moes said. Music will be by Cain. A donation of \$10 per couple is being sought; the total includes refreshments. Tickets are available from Pontoon Beach Lions members and will be sold at the door.

THERE'S A BIG DIFFERENCE AT.

Mitchell
MRS. LOIS WEEKS
128 Cynthia Lane
931-1493

MRS. ALLEN TRANSFERS
Mrs. Oney Allen of English Place, the former June Neece, a patient at Barnes Hospital in St. Louis since June 1, was transferred to St. Elizabeth Hospital in Granite City for treatment. She underwent surgery in February at St. Elizabeth and then returned home until June, when she again entered the hospital in St. Louis. She remained there until last week and returned to the local hospital.

RETURNS FROM SOUTH
Mrs. Mamie Elmore of Douglas Place has returned home from a two-month vacation in the South. She visited her son-in-law and daughter, Mr. and Mrs. Lester Chamness and family of Marietta, Ga. She also visited another son-in-law and daughter, Mr. and Mrs. Arthur Boyle of New Orleans, La., formerly of Mitchell.

Robert Lee Jameson of Madisonville, Ky., and his sister, Rita Jameson of Jackson, Miss., visited Mrs. Hilda Jameson, of Margaret St., who has returned home from St. Elizabeth Hospital. Mrs. Jameson was a patient for 11 weeks following a hip fracture. The Jamesons were enroute to visit a relative, Pete Jameson, formerly of Mitchell, who now lives in California.

Fall events at Nameoki church

Several events are planned for members of Nameoki United Presbyterian Church, 1700 Pontoon Road, to open fall and winter activities at the church, according to the minister, the Rev. Don F. Pierson.

On Sunday evening, Sept. 8, the Junior and Senior High groups will host an opening night gathering with young people from Mitchell United Presbyterian Church as guests. A movie and refreshments are planned for the opening session.

All women church members are invited to attend the fall potluck dinner of the United Presbyterian Women at the church at 7:30 p.m. Monday, Sept. 9. A skit will be presented by a local talent group, the minister said.

A "Resources Fair," designed to enlist members in various church programs in accordance with their individual talents, is planned from 10 a.m. until 3:30 p.m. on Saturday, Sept. 14, the Rev. Pierson said.

Reservations open for SIU conference

Reservations still are being accepted for the Continuing Education for Women Conference at Southern Illinois University at Edwardsville on Tuesday, Sept. 10, according to Louise W. Saunders, SIUE adviser.

The one-day conference on the topic, "What are you doing the rest of your life," will convene in the Mississippi Illinois rooms at the University Center from 9 a.m. until 3 p.m. Registration will be \$5 per person and baby sitting services will be available.

Participation will be limited to the first 100 registering, the adviser said. The \$5 fee should be made payable to: Continuing Education for Women Conference and mailed to General Studies Division, Box 44, Southern Illinois University, Edwardsville, Ill. 62025.

Farm tour, party marks birthday

A visit to Grant's Farm, St. Louis, and dinner at the home of her grandmother were events held this week to celebrate the second birthday of Ann Marie Mitchell, daughter of Mr. and Mrs. Phillip Mitchell, 2545 Morrison Road.

Dinner was served at the home of Mrs. Mary Tolka, 9234 Halls Ferry Road, Jennings, Mo. Among the guests were the honoree and her parents and family members, Mr. and Mrs. Fred Range and children, Christie and Frederick Range, Jr., and Janice, Jon and Danny Robinson, all of Cahokia; and Joe Tolka of Jennings.

Emergency training is keyed to home or job

More than 600,000 persons die of heart attacks in the United States each year, and an estimated 60 per cent of these could be saved if they received help in 4 to 6 minutes after the attack; the length of time the brain can survive without oxygen before irreversible damage is done.

Thousands of persons die each year as a result of drowning and tens of thousands lose their lives or suffer permanent injuries in traffic accidents because immediate, knowledgeable help is not available.

Strangulation is a primary cause of death in newborn infants, while parents stand by helplessly not knowing how to help their child.

A program through which interested persons can learn emergency care procedures for victims of heart attack, drowning, electrocution, strangulation and other heart-lung emergencies is offered free of charge at the Trauma Center at St. Elizabeth Hospital.

The 2½-hour Heart Emergency Life Procedures (HELP) program is available to everyone and already has proved to be a valuable asset in homes, on the job or on the highway.

Such training could mean the difference between life and death or permanent disabling injuries, Anthony Marquez, Regional Emergency Medical Services coordinator and HELP instructor, said.

GRANITE CITY PRESS-RECORD

Thurs., Aug. 29, 1974 Page 22

More than 250 Quad-City residents have taken the instruction and all are "highly enthusiastic" about the program, Marquez said.

Two Granite City women, who are recent HELP graduates, reported being so impressed by the course they are arranging to bring the program to all local beauticians at a special meeting in October.

Mrs. Betty Smith, president of Elite Hairdressers, affiliate 33, and Mrs. Evelyn Hood, secretary, both said the training could be invaluable to those in business, working in industrial plants or women at home.

"How many new mothers would panic if their infant began to struggle in its crib," Mrs. Smith commented. "I believe all expectant mothers should take part in the HELP program," she added.

The elite officers said that Marquez has agreed to teach the class at the October meeting of the Hairdressers Association. "We hope all local beauticians will avail themselves of this opportunity to get the training," Mrs. Smith stressed.

HELP classes for the general public are conducted on a frequent basis in the hospital's Trauma Center, Marquez said. Persons interested in taking part are invited to contact this regional coordinator at St. Elizabeth Hospital, or call 876-2020, Extension 411 or 412.

About 15 persons may enroll in each session, which lasts between two and three hours, Marquez said.

Participants learn many simple techniques to apply in the event a family member or fellow employee is stricken by a heart attack, including Cardio Pulmonary Resuscitation (CPR).

For the most part, the class members are amazed how few things they have to know to detect imminent heart attacks and how easy CPR is to give, especially when it is a family member, Marquez said.

Citizen demand for basic medical knowledge and preparedness, specifically from those having taken the HELP program, has instigated the development of a complete series of specialized instruction in such areas as heat exhaustion, bleeding control, drug overdose, poisoning, respiratory problems and chronic disease emergencies, among others, the trauma director said.

Preparation of the related subjects for the public recently is being completed and, hopefully, will be offered to Quad-City area residents in the near future, Marquez said.

AUTO IS STOLEN

The car of Walter Jung, 2704 Center St., was stolen from the Granite City Steel North Plant parking lot, it was reported at 7:15 a.m. Tuesday.

IMMEDIATE MEASURES to take should a newborn infant start to strangle are among the emergency techniques taught in a 2½-hour Heart Emergency Life Procedures (HELP) program at St. Elizabeth Hospital. Anthony Marquez, Regional Emergency Medical Services coordinator and HELP instructor, center, explains a point to class members, Mrs. Evelyn Hood, left, and Mrs. Betty Smith.

Party honors service couple

A post-wedding reception was held this week in honor of Army Private and Mrs. Tommy G. Ussery Jr., who were married at Fort Leonard Wood, Mo., on July 11.

The bridegroom returned home last week from duty in Georgia, and the newlyweds departed yesterday for Fort

Bragg, N.C., where they will reside for 12 months.

The party was given at the home of the bride's parents, Mr. and Mrs. Earl Ellis, 3044 Nameoki Drive. A triple tiered wedding cake centered the luncheon table.

Out-of-town guests attending were: Mr. and Mrs. Horace Hoffman, Berkeley, Mo.; Mrs. Anna Becker and daughter of Maryville; Mrs. Richard Crabtree and sons, of Kendall Hills; Mrs. Margaret Perkins and niece, Nancy, and nephew, Andy, of Wood River; Mrs. Donna Stone and daughters of Capeville; and Mr. and Mrs. Jim Perkins of Wood River.

Quad-City guests included Mr. and Mrs. Tommy Ussery Sr. and son, Ronnie, Mr. and Mrs. Archie Vest, Mrs. Ethel Allison, Mr. and Mrs. Billy Heath, Mr. and Mrs. Phillip Heath and daughter, Mr. and Mrs. Allen Waggoner, Mrs. Viola Hoffman, Mr. and Mrs. Paul Hoffman, Mr. and Mrs. Andy Hoffman, Mr. and Mrs. Tony Petrillo, Mr. and Mrs. Tom King, Mr. and Mrs. Ed Acosta and daughter, Mr. and Mrs. Charles Tanksley, Mr. and Mrs. Christ Hoffman, Mr. and Mrs. David Hoffman, Mr. and Mrs. Sheila Ellis, Mr. and Mrs. Ronnie Allison and daughter, Mr. and Mrs. Eileen Wofford, Mrs. Pam Fisher and daughter, Mr. and Mrs. Jerry Howard and Mr. and Mrs. John Hoffman Jr.

East Side Levee and Sanitary District

INVITATION FOR BIDS

FOR PUMPING STATION REPAIRS

WEDGEWOOD PUMPING STATION

Sealed proposals, in duplicate, for the Wedgewood Pumping Station Repairs will be received by the Board of Trustees of the East Side Levee and Sanitary District at its office, 2642 McCasland Avenue, East St. Louis, Illinois, until September 23, 1974, and then will be publicly opened and read.

The work proposed consists of removing the four storm water pumps, rebuilding and replacing worn or damaged parts, remounting, placing into operation, and adjusting switchgear and automatic controls as required.

Two of the stormwater pumps have been removed and may be picked up at a place designated by the East Side Levee and Sanitary District. It is required that bidders contact the Levee District at its office, 2642 McCasland Avenue, East St. Louis, Illinois, AC 618-674-0400, to set up an appointment for a inspection of the Wedgewood Pumping Station.

The bids shall be on company letterhead stationery and signed by an officer of the company; and shall include all costs involved to place the Wedgewood Pumping Station into complete operation.

The East Side Levee and Sanitary District hereby reserves the right to reject any and all bids or to accept the bid that, in its judgment, will be in the best interest of the East Side Levee and Sanitary District.

NOTICE OF PETITION

TO PROBATE WILL

STATE OF ILLINOIS:ss. COUNTY OF MADISON: ss. IN THE CIRCUIT COURT OF MADISON COUNTY To the _____ Term, A.D. 19____

19____

In the Matter of the Petition for the Probate of the Last Will and Testament of Clara Smith, Deceased.

To all persons whom this may concern: GREETINGS: You are hereby notified that on the 23rd day of April, 1974, an instrument in writing, purporting to be the last will and testament of Clara Smith, deceased, was filed in the Circuit Court of Probate Division of Madison County, Illinois, and, that also on the same date was filed a petition, asking that the said instrument in writing be admitted to probate as and for the last will and testament of Clara Smith, deceased.

Said petition states that the following named persons are all the known heirs at law, legatees and devisees of the said deceased, to-wit: Leslie Freeman Dorothy Scott Edward Niehaus Zella Niehaus Earl Freeman Smith

And that the other heirs at law, if any, of said deceased are unknown to said petitioner. You are further notified that the hearing of the proof of the said last will and testament has been set by said court for the 26th day of Sept. 1974 at the hour of 10 o'clock A.M. in the Court Probate Division at the Court House in Edwardsville, Illinois, in the county aforesaid, when and where you may appear and show cause, if any you have, why said instrument in writing should not be admitted to probate as the last will and testament of said Clara Smith, deceased.

Venice Seniors receive flag

Venice Senior Citizens Club met Tuesday at the Venice Recreation Center for a monthly potluck dinner, with 69 members and seven guests attending.

Guests included Sally Goins, Lester Cook, Virginia and John Sever, Sam and Esther Ybarra and Charles Dopuch.

Prior to the social hour, the club was presented an American flag, donated by Mrs. Bernice Kurtz. It is the first flag to be owned by the club since it was organized nine years ago.

All Mrs. Vicky Bilbrey announced members attended an all day outing on the S.S. Admiral.

A moment of silence was observed in memory of two deceased members, Mrs. Mable McGee and William Ohlendorf.

Preceptor Beta hosts luncheon

A "beginning day" luncheon was served to members of Preceptor Beta Gamma Chapter of Beta Sigma Phi in the home of the president, Mrs. Arlene Haldeman.

Reports and plans for the sorority year were given by officers and committee chairmen. Mrs. Imogene Forrest reviewed the progress of the float to be entered in the Shiner Parade on Wednesday.

A special ritual for a legacy member, written by Mrs. Haldeman, was given to Miss Lori Forrest, who was assisted by her mother and sponsor, Mrs. Forrest. A yellow rose, necklace and an encircled silver rose were presented to Miss Forrest.

A special ritual for a legacy member, written by Mrs. Haldeman, was given to Miss Lori Forrest, who was assisted by her mother and sponsor, Mrs. Forrest. A yellow rose, necklace and an encircled silver rose were presented to Miss Forrest.

The chapter's first meeting of the season will be held at the home of Mrs. Lucie Voyles. A special program on photography will be presented by Les Voyles, assisted by Mrs. Norma Rains.

Those attending the luncheon were Mesdames Voyles, Pat Tsigaroff, Evelyn Tolliver, Delores Dertch, Rains and guests, Lori Forrest, and Nancy and Joyce Haldeman.

MASTER SERGEANT JACK MITALOVICH

Retires from Army service

Army Master Sergeant Jack Mitalovich, formerly of Madison, retired from active service during the weekend at Fort Leonard Wood, Mo. He had served in the U.S. Army for 21½ years and had been assigned to posts in Europe, Japan, Korea and throughout the United States. Sgt. Mitalovich is a brother of Mrs. Louise Gwasda and Mick Mitalovich, both of Granite City.

The retired serviceman, his wife and their two children plan to reside in Lemay, Mo.

Voluntary blood donations urged

Gov. Dan Walker has designated Aug. 26 - Sept. 1 as voluntary Blood Donor Week in Illinois.

He is urging all Illinois residents in good health and between the ages of 18 and 66 to donate a pint of blood during the week or pledge a donation for future use at a local blood collection center.

During the next 12 months, Illinois will need 390,000 pints of blood to meet the growing demand necessary for surgery and blood therapy, Gov. Walker said. He added:

"We must not let the supply of available blood become dangerously low, especially during periods of great need, such as holidays."

He also urged those who are members of any blood donor group to join or form such a group, and by regular donations assure themselves and their families a supply of blood when needed.

For those who cannot give blood, the governor urged volunteering to help in collection and transfusion of blood or in transporting those who can give blood.

Hospital Notes

Patients admitted to St. Elizabeth Hospital Tuesday: Connie Russell, 9 yrs., 4737 Lake Dr.; Gracie Black, 2319 Winters Dr.; Ruth Abney, 3801 Lake Dr.; Joyce Sparks, 2433 Missouri; Estelle Palmer, 1123 Bissell, Venice; Jessie Castillo, 1046 Spruce.

Raymond Western, 2 mos., 2407 E. 24th St.; Margaret V. Spankie, 3096 Jill Ave.; Candace Bain, 623 Bayview; Carolyn K. Ladd, 22 Lakeview Dr.; Sherry D. Hicks, 1638 E. 23rd; Vernie R. Brand, Wood River; Earnest Baker, 36 Lee Wright Hms., Venice.

Georgia M. Murphy, 2406 Pontoon Rd.; David L. Spricer, 1732 Courtenay; Jack E. Baldwin, 2426 Dewey; Dorothy M. Burnette, 2519 Morrison Rd.; Wayne L. McClelland, 2036 Sixth E. Madison; Herman L. Beard, R.R. 7, Edwardsville; Jon V. Matlock, 1 yr., E. St. Louis; Addie M. Laux, Grifton, Ill.; Mildred M. Rushing, 1920 Ferguson; Veronica R. Patrick, 4236 Highway 162; Janet M. Bemble, 2445 Center; Fannie M. Scheindel, 2711 Center.

Eric Rudat, 4010 Braden; Carol J.H. Donif, Florissant, Mo.; Herman L. Kirkover, 3061 Edwardsville Rd.; Willie D. Moore, Brooklyn.

Laverne Kofahl, 2905 Dale; Donna M. Miller, 1223 Bissell, Venice; Gary A. Oliver, Collinsville; Hazel Ross, 4813 Carl.

Regina D. Walker, 1228 Edwardsville Rd.; Thomas J. Dykla, 2129 Dawn; Lori Ann Six, 2904 Buxton; Mary Jo Dressel, 4000 Sars; Karen L. Yarn, Highland, Ill.; Walker E. Johnson, 2129 Grand; Ralph Morgan, Glen Carbon.

VIOLATION CHARGED
William A. Briggs, 18, of 2233 Grand Ave., was charged with a right-of-way violation at an intersection following a two-car accident on Nameki Road and Jill Avenue at 6:50 p.m. Tuesday. Driver of the second vehicle was Janis L. Zimmer, 3900-Gaslight Walk, Apt. 4.

MORE THAN 1,000 VISITORS attended First Granite City National Bank's two-day "open house" held during the weekend. The occasion was to introduce the public to the bank's new Auto Bank facility. Visitors were shown through the facility and given personal detailed explanations of its operation. They were given refreshments, mule clubbers (48-inch rulers) and other free gifts.

More fines to be channeled to city

Five ordinances designed to bring more criminal fine money into Granite City municipal coffers rather than into the Madison County treasury were passed by the Granite City Council Monday night.

The ordinances provide city laws prohibiting actions which already were banned by state law.

Under home rule provisions of the 1970 Illinois Constitution, the city may also pass such laws and keep the fines levied from offenders.

The new ordinances may cover only misdemeanors and violations. Felonies must be handled by the Circuit Court.

City Attorney George Filcoff told aldermen that prohibiting causes locally which already are prohibited by state law is a new idea, but one which seems to be allowed by the city's home rule status.

Local ordinances passed Monday night prohibit minors being in possession of alcohol

in the city, assault, battery, criminal trespass to property and aggravated battery when it is a misdemeanor.

Minimum to maximum fines are \$25 to \$100 for larceny, assault and a minor possession of alcohol; \$50 to \$100 for aggravated battery, and \$5 to \$100 for criminal trespass to property.

Filcoff said more ordinances to provide for local fines will be introduced in the future.

He said it is only fair that the city keep the fines.

"Our officers make the arrests and then have to go to court at Edwardsville to testify. Now they will still have to go to Edwardsville to testify, but we will get the fine money."

The council also passed an ordinance prohibiting businesses in the city dealing with fortune telling, palm reading, astrology predicting or the use of other supernatural powers for profit.

Fines range from \$25 to \$100.

Another ordinance approved modifies the building code to ban the use of cellulose fiber insulation materials in new buildings and homes and in all building additions and improvements in the city.

Mineral base insulation materials must be used to comply with the new ordinance. City Building Inspector Bob Kelly told the council that at least two recent fires in the city have been either caused by or the amount of damage increased due to cellulose fiber insulation.

Alderman Steve Basarich of the Fifth Ward asked for stronger wording which would prohibit lumber yards and supply outlets from selling cellulose fiber insulation in the city.

Kelly assured him that is not now being sold here, and said he will send a copy of the new ordinance to all supply outlets and request that they do not sell the material in the future.

Auto license applications no longer must be notarized

Gov. Dan Walker this week signed House Bill 2190, eliminating the requirement that automobile and other vehicle registration applications be notarized.

The bill permits drivers to affirm the information on their

license plate applications by signature alone.

Rep. Harold A. Katz (D, Glencoe) sponsored the bill.

Gov. Walker said, "This new law eliminates a nuisance requirement. There should be no need to go to a notary public

and pay a fee in addition to the state license plate fee.

"A person's signature is enough to verify the information on the form."

"We need more legislation like this. Getting rid of needless annoyances makes people's contacts with state government simpler."

Illinois dominant in mining of fluorspar, its official mineral

By MARY LOU MANNING

Press-Record

Springfield Bureau

Long overshadowed by King Coal, there's a mineral mined in Southern Illinois that's also a versatile servant of industry. It's called fluorspar, and it serves as the state's official mineral.

Fluorspar—or, correctly, fluorite—consist of calcium and fluorine and is chemically known as calcium fluoride.

It is a glassy, crystalline mineral commonly colorless or gray but sometimes pink, blue, green, yellow, tan or purple.

Most fluorspar consists of masses of interlocking crystal generally mixed with the host rock. A few varieties glow when exposed to ultraviolet light and are deemed "fluorescence."

Three-fourths of the fluorspar mined in the Western Hemisphere comes from the Southern Illinois-Kentucky region, with Illinois accounting

for over half of the total production.

This state's 12 fluorspar mines, which have a total of 220 employees, are located in Pope and Hardin Counties, the latter containing the majority.

First commercial use of fluorspar occurred in 1829 when a small amount of it, a by-product of lead mining in Shawneetown, was shipped to an eastern manufacturing firm to make hydrofluoric acid.

Lead mining in that region began in the 1700s but the first fluorspar mine, located in Rosiclare, opened in 1942, according to the Illinois Geological Survey.

However, in 1870 lead production declined and the need for fluorspar, once considered a waste product, began to flourish.

In 1948, the Southern Illinois fluorspar district produced 172,501 tons valued at \$6,300,000 or \$36 per ton. By 1973, the

region was producing 144,903 tons valued at \$10,900,000 or \$76 per ton.

Over half of the fluorspar mined is consumed in manufacture of hydrofluoric acid, the basic chemical used in making refrigerants, aerosols and rocket fuel and in uranium production.

In addition, it has a high priority use in the manufacture of toothpaste and plastics, and special use in the making of dyes, stain repellents, optical lenses, concrete hardeners and fire extinguishers. A large portion is used as a flux in the iron and steel industry.

Most of the near-surface deposits have been worked out, and the mineral is mined from veins as much as 800 feet deep.

It is the chief industry of this portion of the Illinois-Kentucky Ozarks.

In 1965, under the sponsorship of several Illinois representatives, a bill was adopted designating fluorspar the official state mineral.

Girl, 14, hurt crossing street

Regina D. Walker, 14, of 1228 Edwardsville Road, suffered injuries when she apparently ran into the side of an auto traveling east in the 1200 block of Edwardsville Road at 7:20 a.m. Tuesday.

Taken by ambulance to St. Elizabeth Hospital, who was treated for injuries to the back and both legs. She had x-rays taken and was admitted.

Earl J. Peil, 57, Belleville, told police he applied the car brakes and skidded into the curb lane when he saw the girl crossing across the street. He was not charged.

STEAL TWO BICYCLES

Burglars broke a window to gain entry to a garage at the home of Jerry Miller, 2668 Oregon Ave., and stole two 20-inch bicycles, the owner reported at 1:45 p.m. Tuesday. A three-speed machine, valued at \$40, and a boy's bicycle, worth \$35, were taken.

Charge eight after chase

Eight young men were charged after a police chase from the West Granite City area to downtown and back to the western edge of the city Monday.

One police car started chasing an auto in West Granite City and the car moved east on Niedringhaus Avenue, turned north on Adams Street and went west on 19th Street, where a second squad car joined the chase.

The auto went back to Rock Road and then onto Route 151, where it allegedly went north in the southbound lanes. A police car cut in front of the vehicle and stopped it near North Street.

Eight persons in the car were arrested. Police alleged finding a loaded .38-caliber pistol under the front seat on the passenger side.

The driver, Rodney Chism, 20, of 2557 Madison Ave., was charged with fleeing or attempting to elude police, disorderly conduct, unlawful use of a weapon, having no firearm owner identification card, driving in the wrong lane, three stop sign violations and two speed violations, with alleged speeds of 90 and 65 miles per hour in 55 zones.

James R. Williams, 22, of 3005 W. 20th St., was charged with unlawful use of a weapon, having no firearm owner card and disorderly conduct.

Also charged with disorderly conduct were Bill Creek, 23, of 2032 Missouri Ave., William J. Brannon, 18, of 2102 Nevada Ave., Daniel Hartline, 19, of 3014 Lake Drive, Pontoon Beach, Mark Polett, 17, of 2916 Oregon Ave., Karl Chism, 18, of 2557 Madison Ave., and a 13-year-old boy. The juvenile and Polett also were charged with violations of curfew.

LARGEST VACATION BIBLE SCHOOL ever held in Granite City is the way the 1974 Grace Baptist Church turnout of 822 is being described. Average daily attendance for the ten sessions was 428, and the peak gathering was 506. There were 108 professions of faith during the school at

2600 Edwards St. Four church buses and an auto brought in a daily average of 197 riders, with a high of 256. The boys and girls not only devoted 25 hours to Bible study but consumed 10,000 cookies and 400 gallons of soft drinks. Pastor is W. Loyd Duvall.

3-car accident

Four persons suffered minor injuries when the southbound auto of William Carney, 1939 Grand Ave., went over the median of Nameoki Road at Bellemore Village Shopping Center during the weekend and was involved in accidents with two autos.

Carney's auto allegedly sideswiped the car of William Bagl, 3119 Harvard Ave., and then was involved in a head-on collision with the auto of Linda Angle, 2906 W. 20th St.

The drivers and Thomas Carney, 1939 Grand Ave., a passenger in William Carney's car, suffered minor injuries. William Carney was charged with driving while intoxicated.

5 are hurt in collision

Five persons were hurt when the autos of Robert Lockhart, 15 Spanish Lake, Mo., and Regan Roemer, 23, St. Louis, collided on Interstate 270 Monday.

Lockhart and two passengers in his auto, Michael Brooks, 15, Bridgeton, Mo., and Ronald Sillman, 17, Florissant, Mo., were injured, as were Roemer and a passenger in his car, John M. Dean, 20, Ferguson, Mo.

After the cars collided, both went into the median and Roemer's auto overturned, throwing the driver out of the vehicle.

Roemer was admitted to St. Elizabeth Hospital with

multiple abrasions.

Dean, Sillman and Lockhart were released following treatment and x-rays. Brooks suffered minor injuries.

Engineering review class

A course, reviewing engineering principles and intended for those who wish to take the State of Illinois Professional Engineering examination will be offered at Scott Air Force Base, Room 216, Building 152, by the University of Illinois Division of Continuing Education and Public Service.

The class is scheduled for Monday evenings at 6:30, beginning Sept. 3, and will meet for 15 three-hour sessions. The tuition fee is \$75, which includes all text materials.

The refresher course is conducted as a series of classes which are a combination of lecture, discussion and problem-solving sessions—organized to assist graduate engineers, or equivalent, in reviewing engineering principles.

Full-time instructors at the Urbana campus will be flown to this area to conduct the classes.

Those desiring to pre-register, or wishing further information about this offering, may contact Fred W. Steuermagel, 415 East Main St., Belleville, Ill. 62220. The telephone number is 235-9980.

TWO ARE ARRESTED

James Hill, 24, and Laura Hill, 20, both of 2400 Washington Ave., were charged with resisting arrest here after police stopped their car in the 2200 block of Madison Avenue. James Hill also was charged with disorderly conduct. Officers said a man in the car became abusive and force had to be used to apply handcuffs. A woman hit and scratched officers during the arrest, they alleged.

Mercer loses in 21 innings

An error in scheduling of this week's Illinois Inter-City League baseball competition had Mercer and Piasa meeting here for a doubleheader contest when it was supposed to be a single game. The two teams turned it into a near tripleheader as Piasa defeated the local nine 4-3 in 21 innings. Piasa jumped to a 2-0 lead by scoring twice in the second

inning and Mercer bounced back to tie the game in the fourth as Dave Huddleston singled and stole second, and Bob Scott and Steve Schardan singled.

The visitors added a run in the fifth and Mercer sent the game into extra innings with a run in the seventh. Hank Scott, Harvey Breckner and Mark Boone all singled to tie the

Yates, Gittemeier win

Granite Cityan Rod Bailey moved to within 30 points of a tri-city stock car point leader John Wolfmeier during the weekend, playing third in both a heat race and the feature event at Tri-City Speedway.

But the man of the evening was another Granite Cityan, Larry Yates. A rookie driver, he had never seen the inside of a victory lane until Friday's program, when he upset the more experienced drivers and won the feature race.

In late model stock car competition on the half-mile dirt oval, Len Gittemeier stretched his point standing lead over Russ Wallace. Gittemeier captured his heat race and finished fourth in the handicap event. C. Corbin won the latter.

Cahokia's Art Lynch jumped into the lead at the drop of the green flag in the feature race, with Bob Buchanan and Gittemeier chasing him.

After passing Buchanan at mid-point, Gittemeier powered around Lynch going through the third corner and continued to his third feature win of the season.

Other heat race victors Friday were: Wallace, Corbin, Dean Arne and Gary Wallace.

Late model and sportsman class stock car racing will resume this Friday, time trials at 7:30 p.m. and racing at 8:30.

Promoter Ed Bloom announced that effective Saturday, Sept. 14, the racing program at the local speedway will be held Saturday evenings. A tripeheader has been scheduled, for that date, as midweek cars take to the track in addition to the regular racing

'Journey of 1,000 miles' begins, ends with lap in local YMCA swimming pool

"I started logging my time in the water in January 1967," said St. Louisian Thomas Werner, a former Granite Cityan, who has been cited by Tri-City Area YMCA officials for having completed 1,000 miles of swimming in the local "Y" pool.

The 43-year-old father of two, who is employed as an industrial engineer at Granite City Steel, entered the pool at noon Friday and swam its length 44 times to add the final half-mile of his feat.

"It all started," he recalled, "when I enrolled in the Red Cross swim-for-fitness program."

"We were required to count how many laps we swam, and for every ten laps completed a swimmer would receive a certificate. I just never stopped counting after recording 100 laps," Werner related.

He said he had to condition himself for three months by swimming four to five times a week to go the distance of about 88,000 laps.

The total of 1,000 miles required 600 hours of pool time to complete.

"I would time myself," he told the Press-Record, "so that I set a regular pace of completing one pool length every 40-50 seconds."

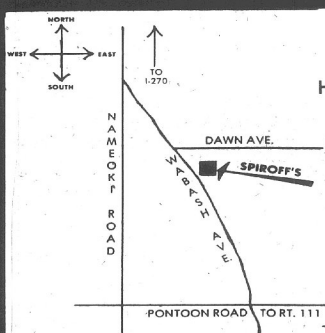

"It's no different than jogging for fitness," concluded Werner. "I just happen to hate jogging, so I keep physically fit by swimming."

LOSE UGLY FAT
Start losing weight today or money back. MONADEX is a dry tablet and easy to take. MONADEX will help curb your desire for fatty foods. Eat less - weigh less. Contains no dangerous drugs and will not make you nervous. No strenuous exercise. MONADEX cost \$3.00 for a 20 day supply. Large economy size is \$5.00. Also try AQUATABS: they work gently to help you lose water-bloat. AQUATABS - "water pill" that works - \$3.00. Both guaranteed and sold by: **WIS**

YMCA SWIMMING AWARD was presented here to Thomas Werner (Center), for having logged 1,000 miles of swimming in the YMCA pool at 2001 Edison Ave. Presenting a plaque and certificate to him were Mike Tharp (left), recreation director, and Paul Christiansen, (right), chairman of the YMCA Physical Education Committee.

A
50,000
Mile
Guarantee!

THE MOBIL STEEL BELTED GUARANTEE: Mobil Steel Belted Radial Tires are guaranteed to give 50,000 miles on the original read. Guarantee applicable only to original purchaser and to vehicle on which tires originally installed. Treadwear Indicators must be clearly visible, and guarantee certificate registered with Mobil Oil Corporation must be presented.

This tire is also guaranteed against defects in materials, workmanship, or normal road hazards (such as blowouts or fabric breaks and cuts) which render tire unserviceable, and will be adjusted on tread depth unless Mobil determines defects can be safely repaired.

Tires used on taxicabs, police vehicles, pick-up trucks or other commercially used vehicles, or if installed in size other than original equipment specifications; or that have irregular treadwear pattern due to mechanical conditions; or loss or damage

caused by fire, theft, wreck, collision, running flat, cutting by chains, obstruction on vehicle, or any willful abuse, are excluded from this guarantee.

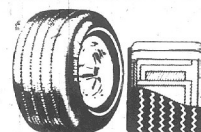

If a Mobil Steel Belted Radial fails under this guarantee, allowance will be made on the purchase of a new Steel Belted Radial Tire based on Mobil's printed "Pre-determined Price for Adjustment" current at the time of adjustment, which price is intended to fairly represent the actual selling price at the time of adjustment. Liability is limited to replacement of the Mobil Tire.

This is the handsome new Germania Federal Passbook Certificate

It pays you a handsome 7.79% effective annual yield on a 4-year, 7.50% certificate

Germania Federal Certificates of Deposit are now furnished in stylish, convenient passbook form. Convenient because they're more than just showpieces. They're permanent, up-to-date records with information like deposits, withdrawals, and maturity date all in a passbook certificate. Germania Federal certificates have always been a good investment. Now they're yours in an attractive passbook, and the earnings are mighty attractive, too.

Choose from 3 great certificates

SAVINGS PLAN	INT. RATE PER YEAR	EFFECTIVE ANNU. YIELD	COMMENTS
4 to 10 Year Certificates	7.50%	7.79%	\$1,000 minimum
30-Month Certificates	6.75%	6.98%	Interest on certificates is COMPOUNDED DAILY and paid MONTHLY.
One-Year Certificates	6.50%	6.71%	

On certificates, federal law requires a substantial interest penalty for early withdrawal.

Conflict of interest law urged by Steele

"A strong 'conflict of interest' for public officials is urgently needed in Illinois,"

Everett G. Steele, state representative nominee, said here this week.

He said such a law could "set guidelines for conduct in office, and help prevent the numerous incidents of misconduct in office which have plagued Illinois in recent years."

Steele commented, "In just the past two years, a former governor and federal judge has been convicted and sentenced, and a former state revenue director, a former secretary of state, and an assistant majority leader in the legislature have been found guilty of misconduct in office."

"Clearly, safeguards are needed to help prevent these violations from occurring," Steele said.

"To accomplish this, I urge and intend to propose a 'conflict of interest' law, which would provide the following:

- "Establish a code of ethics for legislators and state employees, and provide for an Ethical Standards Board to investigate, hold hearings and enforce the standards. Penalties would be provided for violations of the code.
- "Prohibit gifts to public officials where there is reason to believe such is offered with the intent to influence the performance of public duties.
- "Prohibit officials from participating in decisions where they have a personal interest, or from which they could derive a direct monetary gain.

BURGLARY ON GRAND

A color television, a boat motor, two pistols, a rifle and about 1,150 rounds of ammunition were stolen from the home of Clarence Boley, 2621 Grand Ave., it was reported Sunday morning. Entry was gained by breaking the glass in the front door and reaching through to unlock the door.

How deep the freeze on Sen. Percy's Presidential hopes?

Press-Record

Washington Bureau President Ford may be on the mound pitching, but Sen. Charles H. Percy will stay right in the bullpen warming up.

To use the Illinois Republican's own metaphor, no ball club fields a team without relief pitchers.

Although Percy concedes Mr. Ford could win nomination by acclamation if he continues his dazzling pace, the Republican senator from Illinois believes some inadvertence conceivably could knock the President out of the box on the way to 1976.

Percy wants to keep his pitching arm limber. He made this clear at Springfield when he conigned his Presidential ambitions no farther than the "back burner" or the "deep freeze." Both are temporary repositories.

Even the announcement by White House Press Chief Jerry Terhorst that Mr. Ford would seek election in his own right in 1976 failed to foreclose Percy's dreams of attaining the White House.

To say a Percy candidacy in 1976 is impossible is foolish, his aides insist. Anyone, they say, who would have teamed Jerry Ford and Nelson Rockefeller two years ago would have been considered crazy.

Such are the uncertainties of politics these days that no one dares predict anything, certainly not Percy's foreclosure.

At the House cloakroom, one gets a different assessment. It must be acknowledged, though, that some Illinois Republicans are hardly Percy partisans.

"He's going the way of Harold Stassen," said one of the congressmen granted anonymity in exchange for candor. "I think Percy is washed up as a Presidential candidate."

When the Illinoisans talk freely, there is an uncoiled animus by some toward Percy. Fundamentally, he rubs them the wrong way and it makes them bristle.

Professionally, as politicians, they say his practice of their art lacks a certain subtle polish. His overweening ambition is too obvious; he seizes and belabors up-front issues, often to his own chagrin; he drops big names all over the place; he seldom invites House members to his office for an exchange of views; and his attention wanders in personal conversations.

Percy dominates any situation in which he finds himself, said one House member, complaining that

Press-Record

One returning from Chicago with President Ford.

Fellow Republicans wanted to help Rep. Sam Young's re-election campaign by getting his picture with the President, but Percy monopolized the time with a 12-point talking paper, it was contended.

Aside from these personal foibles that grate on some members of the Illinois delegation, they think he would carry an ideological handicap into the 1976 race, or 1980, if he pursues his dream that far.

Percy's political philosophy, and this is obviously conservative reasoning, is too much of a piece with Nelson Rockefeller's.

This liberal-to-moderate side of the spectrum could expect no more than 30 per cent support in the Presidential election, it is said.

Series of 5 key death factors

"The Killers," a five-program series that investigates the five major causes of death in the United States, will be broadcast on Channel 9 as part of National Health Awareness Week at 8 each evening during the week of Monday, Sept. 2, through Friday, Sept. 6.

The five 30-minute programs focus on heart disease, trauma, cancer, pulmonary disease and genetic defects.

The series, originally televised here last fall, has received praise from both television critics and national health officials for its scope and accuracy.

Executive producer and host of the series, David Proffitt,

was given an award by the National Foundation of the March of Dimes for his work on the series and for "distinguished contribution to public understanding of birth defects."

The full schedule for "The Killers" is:

Trauma: It's an Emergency—Monday, Sept. 2.

Heart Disease: The 20th Century Epidemic—Tuesday, Sept. 3.

Genetic Defects: The Broken Code—Wednesday, Sept. 4.

Pulmonary Disease: The Hidden Enemy—Thursday, Sept. 5.

Cancer: The Cell That Won't Die—Friday, Sept. 6.

Bread and butter issue—how to pay for bread and butter— aids Democratic campaign in state

By KEN WATSON
Press-Record
Springfield Bureau

Many Illinois Democrats are sighing with relief that the party did not jump too fast on Watergate as the big issue in the November election campaign. That the party did not probably results from the efforts of three major leaders, Secretary of State Michael J. Howlett, Treasurer Alan J. Dixon and State Democratic Chairman John P. Touhy.

All were watering-down Watergate months ago, long before it could be seen how the matter would be resolved. The problem was to restrain legislative and local candidates as well as grassroots workers who believed they had a sure and easy issue for victory.

Sole reliance on Watergate would have left Illinois Democrats out on a limb with the resignation of President Nixon and the succession by popular Vice President Gerald R. Ford.

While Touhy worked quietly behind the scenes to limit party concentration on Watergate, Howlett and Dixon were busy on the speaking circuit, minimizing its importance and calling attention to other issues, chiefly the inflationary economy.

U.S. Sen. Adlai E. Stevenson, who like Dixon will be on the ballot this fall, also soft-pedaled Watergate. He was able to do this effectively by explaining that, as a member of the Senate who might have to try Nixon and vote on his impeachment, it would be improper for him to prejudge the case.

Meanwhile, beneath the St. Louis Dome there, the question as to whether Watergate, even without the Nixon resignation, would have been as effective a political weapon for Illinois Democrats as it might be in other states.

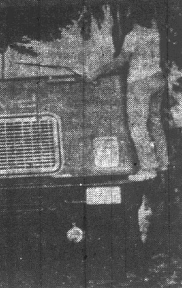

In Illinois, both parties have been up to their ears in scandal. Prominent Democrats have been convicted and sentenced to prison, including former Gov. Otto Kerner and his top aide, Theodore Isaacs, former state revenue director.

Dixon has long granted economic issues priority over Watergate. As early as last October, he told a party rally in his home town of Belleville that "Watergate has been filling our eyes and ears so long, the people are fed up with it. Families don't talk about it around the supper table any more. Nobody remembers or cares, what tapes are where."

"What they do talk about, and what makes them angry, is the high price of food at a time when prices paid to farmers have been going down."

Illinois Democrats are still confident of victory in November. But they now expect to "win in a hard-fought, traditional campaign with bread and butter issues like inflation and unemployment deciding the outcome."

They note that political history shows that voters turn to the Democrats in times of economic trouble. Republicans are preferred when bringing peace from war is the major concern.

GRANITE CITY PRESS-RECORD
Thurs., Aug. 29, 1974 Page 31

Indict former GC resident

A Madison County grand jury at Edwardsville has indicted Edward Tilson of Alhambra, a former Granite City resident, on three counts of attempted murder.

Bond was continued at \$60,000 and he was held at the Madison County Jail.

Tilson allegedly shot two or more times with a 20 gauge shotgun through a kitchen window at the Alhambra residence of Lowell Bell Jr. and his wife, Mrs. Betty J. Bell, July 2. The couple and Edward Morrison, 19, also of Alhambra, were inside and were struck by pellets.

Tilson was arrested shortly after the incident at his home.

Hearings on control of rail car hazards

By JOAN MURARO
Press-Record
Springfield Bureau

Hearings have been set for next month on the Environmental Protection Agency's proposed tight controls for hazardous substances used or stored in or moved through Illinois.

A tally by the EPA has shown that during 12 months in 1972-73, there were 521 separate accidents involving such substances, causing the evacuation of eight towns, injuring more than 300 persons and damaging more than 1,100 homes and 350 businesses.

Public hearings are required before the Pollution Control Board can adopt regulations. The hearings have been set for 10 a.m. Sept. 20 in the Field Museum Lecture Hall in Chicago, and for 10 a.m. Sept. 24 in the student center at Black Hawk college in Moline.

Dr. Richard H. Briceland, EPA director, submitted the plan to the PCB the same day a disastrous rail yard explosion rocked Decatur, doing millions of dollars in damages and inflating injuries which eventually took seven lives.

The EPA proposal would exempt petroleum products, most radioactive substances falling under control of the

Department of Public Health, and some other items, whose chief threat is the possibility of first explosion, since these are already "sufficiently regulated" by existing laws.

Under the EPA's stress on the danger, the Illinois Commerce Commission a few days ago issued an interim order limiting movement of railroad cars containing hazardous substances in yards, controlling routing of such cars in motion, and calling for training personnel so they are familiar with both the dangers and suggested precautions.

The ICC heard public testimony on its program this week.

Under the EPA proposal, regulations would cover any toxic substance either stored or shipped in such amounts that, if released, could cause injury, illness or death if ingested, inhaled or absorbed into the body.

Such substances would have to be registered, be clearly marked, be covered by emergency plans outlining (in advance) procedures in case of accidental release, and in some cases be equipped with special monitoring equipment to show the severity of such a release.

The EPA would have authority to inspect facilities, deny registration if necessary to prohibit unsafe handling practices, or seal equipment not conforming.

The agency estimates that 2,000 facilities in Illinois would initially have to register.

Though this would "somewhat" increase the administrative and engineering workload at such plants, Briceland said that only where safety practices are now in effect would "generally large expenditures for major modifications at existing facilities be required."

Every application would have to show the owner, the exact location, the route if the substance were to be moved, the chemical formula, and a plot plan showing area roads, residences, institutions, public places, rivers, water supply sources and the like.

An emergency plan detailing the steps to be taken in case of an incident would have to be filed with the application.

Copies would have to be kept with stored materials, carried in, in protective holders in transit, or another copy would have to be kept on file with an emergency action center the EPA would establish.

In an emergency, this center could send trained personnel and monitoring equipment to the scene, give advice on monitoring and cleanup of toxic substances, and furnish data on wind and water conditions where these are involved.

The center would also maintain a communications system to provide instant notification and consultation with experts when necessary.

Following the emergency, a written report would have to be submitted to the EPA within 30 days showing the cause, amount of the discharge, public effects, emergency actions taken and remedies carried out. The information could not be used in criminal prosecutions.

NEW NAVY SEAMAN
Dexter W. Smith, son of Mr. and Mrs. Bernard Smith of Granite City, who has graduated from training at the Naval Training Center, Great Lakes, Ill. The training included instruction in seamanship, military regulations, firefighting, close order drill, first-aid and Navy history.

CAMOUFLAGE? No, but this tractor-trailer became obscured when it ran into a low tree branch on Madison Avenue at 27th Street in Granite City. The accident blocked southwest traffic which had to be directed around the truck for nearly one hour. Dave Lariviere, Wilmington, N.C., the driver, here examines the cab of his truck to determine the extent of damage. The street department had to cut the limb into pieces to free the truck.

Hospital Notes
Patients admitted to St. Elizabeth Hospital Saturday: Ellen Dunham, 2504 W. 20th; Travis James Whitmer, 2925 Madison ave., 4 yrs. old; M. Burris, 701 Iowa, Madison; Charles Szczepanik Jr., 2542 Ivy Lane, 13 yrs. old; Donna Pines, 2040 Iowa.

Jo Ann Turrentine, 2449 Center; Joyce A. Adams, 2813 Myrtle; Norman T. Roy, 2412 Edison; Geraldine A. Vaughn, 1522 Second, Madison; Priscilla J. Blind, 76 Holiday Mobile Park; William Whitehead, 2129 Ohio.

Robert E. Stevens, East Alto; Peggy J. Moore, 2616 W. 26th; June V. Allen, 509 English Place; Richard E. Shubert, 1605 Mitchell, 14 months old.

Barbara Elaine Britt, 2734 Center; Mark Kelley, 307L Meadow Lane; Timothy P. Carney, 2418 E. 24th; Randy Sifton, 211 Ashbrook, Venice; and Danny R. Selp, 2121 Grand, 15 yrs. old.

Dixon urges true law equality

State Treasurer Alan J. Dixon said Tuesday that "follow-the-law oratory by politicians, law enforcement, officials and judicial agencies will never replace follow-the-law deeds."

At a luncheon sponsored by the seven-county Southwest Illinois Law Enforcement Commission and the state's attorney's office of St. Clair County, Dixon said at Belleville that "the private citizen is more leery of the public sector today than any time in my political career."

"It is not merely enough to hold meetings and tell how the law should be followed," Dixon declared. "We must demand and achieve equality of the law for every individual."

"The old saying, 'What is good for the goose is good for the gander' has never been more apropos."

"And unless all of us promote and practice equality of law, the private sector will continue to look askance at those who hold effective and appointive public positions."

Dixon—the only current state elected official in Illinois to have served in the judicial branch of government—was the featured speaker at the Tuesday noon session of a three-day seminar.

The Southwest Illinois Illinois Law Enforcement Commission—co-host of the conference—is comprised of agencies in St. Clair, Madison, Randolph, Bond, Clinton and Washington Counties. "Due Process—Correct Through Disposition" is the title of the program.

Dixon was first elected to office in 1949, at age 21, when he lived in his home city of Belleville elected him as police magistrate.

He served 20 consecutive years in the Illinois General Assembly prior to his election as state treasurer in 1970. He is seeking re-election Nov. 5.

Motorcyclist hurt

John Ishum, 16, of 1950 Spruce St. was injured when his motorcycle allegedly struck the parked car of Robert Lambert, 2618 Propes Ave., in the 2900 block of Emzee Avenue during the weekend.

After the accident, police found the motorcycle in bushes beside a house on Emzee but were unable to locate the driver.

Ishum was found in the emergency room of St. Elizabeth Hospital, where he had gone to seek treatment. X-rays were taken of his skull and spine and he was released to police. He was charged with reckless driving and having no driver's license.

Truck driver hurt

Bernard Strain Sr., 46, of Shelbyville, Mo., was injured when his truck and the auto of Sharon Odom, 2907 Buxton Ave., were involved in an accident in the 4500 block of Nameoki Road (Route 203) during the weekend.

Strain said he was thrown over the steering wheel of the truck in the accident. He was taken by ambulance to St. Elizabeth Hospital, where he was admitted after x-rays were taken of his chest, spine and upper abdomen.

Field training for Purkuple

Stephen Purkuple, son of Mr. and Mrs. Donald J. Purkuple, 224 Second St., Madison, is attending an Air Force Reserve Officers Training Corps field raining encampment at Wright-Patterson Air Force Base, Ohio.

During the encampment, cadets receive survival and small arms training and aircraft and aircrew indoctrination. They also have the opportunity to observe careers in which they might wish to serve as Air Force officers.

The cadet is a student at Southern Illinois University. He is a 1965 graduate of Madison High School. His wife, Karen, is the daughter of Carl Thomas of Maryville.

Driver hurt

Randall Isaak, 20, of 3249 Willow Ave., was injured when his car and the auto of Michael Carney, 1719 Market St., Madison, collided at Johnson and Nameoki Roads this week.

After the accident, Carney's auto struck a signal light, knocking it to the ground. Granite City firemen were called to wash spilled gasoline from the pavement.

Isaak was taken by ambulance to St. Elizabeth Hospital for treatment.

Social psychologist to give keynote talk

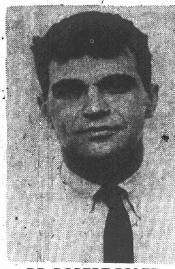

Dr. Robert Coles, who will be the keynote speaker Oct. 1 for the second year of the University Seminar at Edwardsville, sponsored by Southern Illinois University at Edwardsville, is a world-famous social psychologist at Harvard University.

The topic for the year-long series of presentations is "Ethnic Identity and Cultural Integrity." Faculty

representatives of each of the university's schools, assisted by students selected as presidential scholars, will make presentations on the general topic from the perspective of their academic disciplines.

After a decade of studying and living with sharecroppers, migrants, mountaineers, poor blacks and working-class whites, Coles has written that most are healthy in mind and remarkably courageous in spirit.

He contends that all have unrecognized strengths that, if properly understood, bode well for the future of the country. Coles is the author of 13 books and more than 350 articles on psychiatry and social psychology. His most recent books are "Migrants, Sharecroppers and Mountaineers" and "The South Goes North." The first is about poverty in rural backwaters and the second is about

DR. ROBERT COLES

destitution in urban slums. Dr. Coles is best known for his opposition to the use of stereotypes in classifying people.

"We categorize people, call them names like 'culturally disadvantaged' or 'white racists,' names that say something, all right, but not enough."

"Those declared 'culturally disadvantaged' so often are at the same time shrewd, sensitive and in possession of their own culture, just as those called 'white racists' have other sides to themselves, can be generous and decent, and can take note of and be responsive to the black man's situation," Coles has written.

The initial seminar series in 1973-74 dealt with the environment.

Hurt near Hamel

Mark Lanahan, 18, of 2523 Benton St., was injured when his car and the auto of Thomas Crook, Alton, collided on Fruit Road near Hamel during the weekend.

After the collision, Lanahan's auto struck several mailboxes and an embankment, crossed the roadway and went into a ditch. He was brought to St. Elizabeth Hospital with abrasions to his right elbow and left shoulder, a contusion to the left side of his forehead and a hip injury. X-rays were taken and he was treated and released.

NEW TEACHERS to the Granite City public schools attended an orientation breakfast and work sessions Friday at Grigsby Junior High School in preparation for this week's opening of classes. Forty-six new elementary, junior high and high school teachers attended the activities to meet school administrators and department heads.

Dixon to attend Bethalto event

State Treasurer Alan J. Dixon will be the keynote speaker at the Bethalto homecoming on Labor Day, Sept. 2.

Invitations have been extended to U.S. Senator Adlai E. Stevenson, Cong. Melvin Price and state officeholders. Democratic Day is sponsored by the Madison County Central Committee.

The appearance of Democratic candidates and officeholders will signal the traditional Labor Day beginning of the fall political campaign, it was noted.

In addition to Treasurer Dixon, confirmations have been received from Democratic candidates for the Illinois General Assembly, county nominees, current Democratic officeholders and party dignitaries.

The candidates and officials will hold forth on the stage at the homecoming grounds on Prairie Street in Bethalto from 8 p.m. until 9:30 p.m. on Labor Day.

Participants and friends will assemble at the Wood River Bowl, located at Illinois Routes

Sue for wages not paid in strike period

Three Venice school teachers have filed suit in Madison County Circuit Court against the Board of Education of Venice School District 3, seeking a total of \$2,076 in wages.

The three are John C. Rush, Lena Rush and Peressa Dandridge, all of whom were teachers in the Venice school system during the 1973-74 school year.

On April 22, 1974, members of Local 885, American Federation of Teachers, went on strike in Venice in a dispute involving salaries.

Edward G. Maag, Belleville, an attorney representing the three teachers in the suit, said, "At the time the school system was out on strike, my clients reported for work as their contract called for. All three were ready, able and willing to fulfill their contracts, but were told by the school district officials to go home."

Maag said that the suit in-

Cannabis charge

Richard Kostoff, 25, of 2541 Jorden Ave., was arrested at his home during the weekend and charged with unlawful production of cannabis.

Officers alleged they saw several large plants in Kostoff's garden which they believed were marijuana. Three plants were more than six feet tall and several others were two to four feet tall, police alleged. The plants were confiscated.

He also was charged with involving wages due for the second-semester period that the strike was in progress.

John Rush alleges in the complaint that while his salary was fixed at \$15,075, he was paid \$14,400. He alleges that he also was entitled to a \$60 bonus for perfect attendance during the school term. He asks judgment of \$755.

Lena Rush said she received \$14,208, although her salary was \$14,874. She asks \$666 in wages she claims are due her.

Peressa Dandridge said her salary was \$15,074, but she was paid \$14,399. She asks judgment of \$675.

Test case on state budgeting for use of grants from U. S.

Attorney General William J. Scott has announced plans for the filing of a test case in the Illinois Supreme Court to settle constitutional doubts over expenditure of large sums for which no appropriations have been voted by the General Assembly.

Involved are millions of dollars of federal grants to numerous state agencies and departments.

George W. Lindberg, Illinois comptroller, earlier refused to issue state warrants for expenditures by the Illinois Department of Local Government Affairs out of a federal grant not covered by any appropriation. Lindberg requested a legal ruling on the proposed expenditures.

Principally at issue is the meaning of several provisions of the Finance Article of the 1970 Illinois Constitution governing financial practices of

the state and appropriation procedures.

Gov. Daniel Walker has called on Scott to bring an action against Lindberg in the Supreme Court to determine the proper interpretation of the applicable constitutional and statutory provisions.

In replying to the governor and announcing his plans for such a test case, Scott said, "Article VIII, Section 2(b) of the 1970 Constitution mandates the following: 'The General Assembly by law shall make appropriations for all expenditures of public funds of the state.'"

Scott related, "While the literal wording of this provision would seem to apply to federal grant funds held in the state treasury and necessitate appropriation by the Assembly before Lindberg may act, nevertheless substantial uncertainties have been raised by

the comptroller, the governor and some members of the General Assembly concerning the scope and application of this and other sections of the Constitution and of certain statutes. "In these circumstances, it would clearly appear that an early court decision is needed."

Scott said that he shares the concern of Comptroller Lindberg and Governor Walker, and that he feels the public interest requires the legal issues to be resolved promptly and definitely.

He pledged the full resources of the attorney general's office to the prompt court submission of the question. The legal action, he noted, will be in form against the comptroller and on behalf of one or more of the state departments or agencies involved in planning expenditure of federal grant funds.

Scott said a proposal by the governor—that pending adjudication by the Illinois Supreme Court, Scott should urge the comptroller to pay vouchers on federal grant funds without legislative appropriation—would be inappropriate.

"Any such recommendation by the attorney general during the pendency of a test case would be improper and would likely moot the proceedings. "If, in fact, the orderly processes of government involved in any federal grant program may be jeopardized by delay in awaiting the court decision, a ready remedy is available to the governor and the presiding officers of the Illinois House and Senate."

"It is within their respective authorities under the Constitution to call a special session to enact all appropriation measures which could possibly be needed pending the court interpretation," Scott said.

He added, "While the Finance Article is new and some of its provisions are unclear, there being nothing comparable in the prior Constitution, one thing was made quite clear by the delegates.

"It was the intent of the Constitutional Convention to end slushy financial practices and to provide for a coherent financial system for the state. "The Convention desired the

ANNUAL NEWPORT HOMECOMING will begin Saturday and continue through Labor Day, as attested to by this street banner on Market Street. The theme this year is "Fantastic Four" alluding to the yearly celebrations of the past four years and the geographic areas of West Madison, North Venice, Kerr Island and Eagle Acres. A large crowd from several states is anticipated by James Treadway Jr., president of the Newport Homecoming Association. Events will include a parade Saturday led by Mayor William "Mike" Eberhardt, music, dancing, rides and varied foods. A homecoming dance and queen pageant will be held Sunday night. (Press-Record Photo)

LADY OF SPAIN Miss Rachel, a petite young Spanish lady, will perform on a swinging rope trapeze at the 1974 Ainsard Shrine circus Sept. 10-12 at the Tri-City Speedway. Somersaulting through the air, she catches herself by her arms and then her knees and, last of all, by her ankles. Audiences have acclaimed her physical agility and grace during her performances.

Emerson wall repair project

The Granite City Board of Education has granted permission to Tully A. Heubner, director of buildings and grounds, to begin brick work at Emerson School as soon as a definite bid is secured from a brick contractor.

Work on the building was deemed urgent to correct a bulge on the south side of the building. An estimate of \$1,800 to remove the bricks and relay them was received from Worthen Brick Co.

Other bids awarded by the board were to Highland Press to print 6,600 Officer Friendly books at a cost of \$1,748; bookstore supplies bid to three companies, Commercial Office Products, Ideal, Inc., and Interstate School Specialties, total of \$1,927; and gas purchase.

General Assembly to assume a greater degree of responsibility for the spending of millions of dollars of public monies.

"It was also the purpose of the Finance Article to open up the entire state fiscal process to public scrutiny and understanding.

"Thus, any such legislative appropriation action taken pending a definitive decision of the Supreme Court would be consistent with the goals of the Constitution, whether or not ultimately held to be required by Article VIII, Section 2(b)."

participated by James Treadway Jr., president of the Newport Homecoming Association. Events will include a parade Saturday led by Mayor William "Mike" Eberhardt, music, dancing, rides and varied foods. A homecoming dance and queen pageant will be held Sunday night. (Press-Record Photo)

Asphalt worker hurt at school

Bill Baggett, 45, Edwardsville, an employee of O'Fallon Asphalt Co., was injured when a "bobcat buggy" carrying hot asphalt in its scoop, tipped on him. It caught his right lower leg between the body of the buggy and the scoop behind Granite City High School South at 3:45 p.m. Monday.

Baggett's hands also were burned by the hot asphalt.

The Granite City Fire Department rescue unit freed Baggett from under the buggy. He was taken by ambulance to St. Elizabeth Hospital, where he was admitted with a cut and possible break to his right lower leg and the burns to his hands.

AUTO TRUNK LOOTED

Tools valued at \$300 and a spare tire and wheel worth about \$50 were stolen from the trunk of the auto of Shelby Kinney, 2318 Lincoln Ave., it was reported Monday.

SELLING YOUR HOME?
Call REINHARDT, Realtor

Assailant hits store operator

A young assailant struck and injured Albert Gaskie, 52, of 1320 Fifth St., Madison, as Gaskie left his store at 2501 E. 24th St., at 9:45 p.m. Monday.

He had closed the store and went out the back door when he noticed his truck had a flat tire. He bent over to begin to fix the tire, and was struck on the head with a piece of pipe in what he believed was a robbery attempt.

Gaskie said he turned around and saw a youth behind him. The young man fled east in the alley.

At St. Elizabeth Hospital, he was treated for a one-and-a-half cut to the scalp. X-rays were taken and he was released.

4 hurt on Route 203

Four persons, including two children, were hurt in a three-vehicle accident on Route 203 two-tenths of a mile north of Harrison Street at 2:45 p.m. Monday.

Drivers were Ricky Taylor, East St. Louis, Gregory Horton, 17, Granite City, and Billy Marlett, Shipley, Ill., the latter driving a tractor-trailer. Horton and three persons in his auto were injured and were taken by ambulance to St. Elizabeth Hospital.

Horton was admitted to the hospital with a large cut to the left side of his head. Passengers included Mrs. Jo Ann Bray, 26, Rural Route One, who was admitted with a cut to her nose and abdominal pain.

Her children, Gary, four years old, and Jody, five months, also were hurt. Gary was admitted with contusions and abrasions to his scalp.

The baby girl, who had been thrown under the dashboard of the auto by the impact and lost consciousness, was transferred to Cardinal Glennon Hospital, St. Louis, with a cut to the top of her scalp.

**YOUTH SERVICE AT
GOSPEL MISSION**
Young people of Calvary
Pentecostal Assembly of God
Church, 4650 Maryville Road,
will be in charge of the 7 p.m.
service today at the
Gospel Mission, 204 E. 20th St.
The public is invited to attend.
Mrs. Bethel J. Davis, Gospel
Mission superintendent, said
the youth group also will
present special music during
the program. The message will
be delivered by the Rev. Harold
Maynard, pastor of Calvary
Pentecostal.

**FORMER RESIDENTS
VISITING IN GC**
Mr. and Mrs. A. E. Cart-
wright, 2328 Waterman Ave.,
are entertaining as house
guests, Mr. and Mrs. James
(Marilyn) Garris and son,
Brent, of Falls Church, Va.,
former Granite City residents.
Garris was employed at the
Granite City Army Installation
for many years prior to being
reassigned to the Pentagon in
Washington, D.C., six years
ago. They plan to visit relatives
and friends in Columbia and
Jerseyville before returning
home Sunday.

Fishing, gardening, travel and rest await GC Steel retirees

Mike Orescovich, 65, of 3135 Princeton Drive, Granite City, was the longest-service employee retiring from Granite City Steel during the past month. He had 44 years of service.

Among the 19 veterans retiring, 13 were from the Quad-City area.

Four other Granite Cityans in the group were within range of the 40-year mark at the time of their retirement. They are Howard Bess, 61, of 2415 Woodlawn Ave., with 39 years of service; Earl Cox, 57, of 4720 Vincent Ave., almost 39 years; Al Dore, 60, of 2101 Adams St., 38½ years; and Harold "Gus" Gunderson, 64, of 2511 Morrison Road.

Orescovich retired July 31 as tin shop unsmith. He started in the old tin mills in August 1930 and worked in many depart-

ments before going to the tin shop in 1961. He and his wife, Josephine, have two sons and three grandchildren. A son, Jim, works at Granite City Steel in the North Plant. Orescovich likes to fish. He plans to "take it easy" and enjoy his leisure time.

Bess retired at the end of July as Basic Oxygen Furnace ingot recorder. He started at the North Plant in August 1939. He and his wife, Faye, have two daughters. Bess' brother, Willard, retired from Granite City Steel last year.

Bess enjoys traveling, fishing and camping, but has made no definite retirement plans.

Cox completed his Granite City Steel career in the end of July. He was a Cold Mill roller. He and his wife, Ethel, have one son.

Cox's brother, Cleve, is a coil location foreman at GCS. His hobby is refrigeration and air conditioning work, and he plans to spend more time now on his church work as well. Cox was the oldest man seniority-wise in Steelworkers' Local 67.

Dore retired July 31 as Hot Strip recorder after a GCS career dating back to March 1936. He started in the firm's drafting room and transferred to the Hot Strip in 1938. He and his wife, Helen, have a son, a daughter and eight grandchildren. Dore likes to fish and read, and also plans some travel.

Gunderson retired at the end of July as Blooming Mill charger crane-man. He started with GCS in January 1937 in the yard maintenance department. He and his wife, Ruby, have two sons, a daughter and five grandchildren. Gunderson's brother, Howard, retired from

the GCS Cold Strip in 1952. Gunderson plans to travel. Maurice "B.A." Lacey, 60, retired on disability at the end of July as Standard Gauge Yard office clerk after 29½ years of service. He and his wife, Geraldine, live at 1348 Meridian St. Lacey likes to watch sports events on TV and to attend them in person. He has no special retirement plans.

Earl "Mule" Belcher, 63, 2224 Victory Drive, retired July 31 as millwright helper in Hot Strip Maintenance after 27 years of service with Granite City Steel. In his early days, he worked on the Annealing floor and in the old hot mills. He and his wife, Beatrice, have two sons, a daughter and two grandchildren. Belcher likes to travel.

Jim Childers, 57, retired on disability at the end of July as Blooming Mill maintenance millwright leader after 23½ years of service. He and his

wife, Carol, live at 1941 Benton St. They have four sons and four daughters. A son, Jim, works in the GCS Hot Strip. Childers enjoys watching baseball games.

Marvin Travis, 62, of 2900 Harding Blvd., retired July 31 as Blooming Mill maintenance millwright after almost 25 years of continuous service. He had a previous 10-year period of service as well. He and his wife, Harriet, have three sons, a daughter and nine grandchildren. Hunting, fishing and gardening are Travis' favorite activities.

Noel Foster, 65, of 2821 Roosevelt Ave., retired at the end of July as yard main-

tenance department truck driver after almost 24 years of service. He started in that same department in October 1950. He and his wife, Elsie, have two daughters and four grandchildren.

Mrs. Laura Grote, 62, retired at the end of July as Cold Strip Annealing checker after more than 23 years of GCS service. She and her husband, Lester, who also works at GCS, live at 3148 Jill Ave. They have two sons, a daughter, 15 grandchildren and four great-grandchildren. Her favorite leisure-time activities are bowling, fishing and camping.

Carl Aldridge, 65, retired July 31 as industrial engineering supervisor after more than 18 years with GCS. He and his wife, Virginia, live on Rural Route Two. They have two sons and four grandchildren. Aldridge's brother, Fred, is a GCS Cold Strip retiree. Aldridge plans to hunt, fish and do home repairs.

George Bourbon, 63, retired at the end of July at a Blast Furnace plant protection man after 15½ years with GCS. Formerly of Granite City, he and his wife, Helen, will live in Crockett's Bluff, Ark. There, Bourbon will spend time on his favorite activities—hunting and fishing—and will do some gardening.

Thrown from car

Tim Carney, 19, of 2418 E. 24th St., was admitted to St. Elizabeth Hospital after he was injured in an auto accident at Route 162 and East 23rd Street at 2 a.m. Saturday.

His auto was reported to have flipped end-over-end, throwing him out of the car and about 15 feet away from where the auto came to rest.

He suffered injuries to his back and right shoulder. X-rays were taken.

Charge youths

A police chase in the Tri-City Park area during the weekend led eventually to the filing of charges against three persons.

Officers said a car eluded them at high speed. A description was broadcast to area police departments and Madison officers found the car and arrested four young people walking nearby.

Taken to the Granite City police station were a 16-year-old boy charged with reckless driving, eventually to the filing of charges against three persons.

Another juvenile was released without charges being filed.

Price pushes strongly for veterans' training

Congressman Melvin Price (Dem., 23rd Ill.) has urged his House colleagues to pass legislation he said will provide veterans with "a greater opportunity for education and vocational rehabilitation than ever before."

The bill, the Vietnam Veterans Readjustment Assistance Act, had been passed by the House and Senate in different forms, and the debate came on a compromise version of the law. Its major provision is a 22.7 per cent increase in the basic rates for educational allowances.

Rep. Price spoke of the Vietnam veteran's "special burden" of "returning to a nation bitterly divided over the war in which he fought and unable to fully appreciate his sacrifice." He said the bill would "redress the harsh effects of this apathy."

The White House has indicated that President Ford may veto the bill as inflationary, but Rep. Price rejected that position. He suggested that "whatever adverse effect the bill would have on the economy is far outweighed by the benefits it provides."

"The bill ultimately will result in increased employment of veterans, thus reducing the high unemployment rate that has become the silent but sinister partner of the present inflation."

Although he wholeheartedly agrees that federal spending must be curtailed, the congressman said, he feels that "veterans' welfare is not presently an appropriate area in which to make a reduction." "The President and most of us in this chamber voted to spend billions on the war in Vietnam," Price told his colleagues. "It will demonstrate uncharacteristic insensitivity to decline a relatively modest expenditure of \$700 million to heal a lingering wound of that war."

The local congressman said, however, that the bill is not "restitution," but a "follow-up measure to our actions of the last decade."

"This bill is the logical and moral sequel to the Vietnam experience," he said. It passed

the House unanimously.

Price also spoke on the House floor in favor of a House-Senate conference report on the Employee Benefit Security Act of 1974.

The bill provides that employees are entitled to a portion of the money they pay into a pension fund even if they fail to meet eligibility requirements for the pension.

Rep. Price explained that the legislation was introduced "in response to growing complaints that many pension plans are inadequate and result in many veteran workers being deprived of retirement benefits if they change jobs, if their plans are insufficiently financed, or if the company folds."

The congressman said the bill could affect 30 million citizens and "is one of the most important bills this Congress will consider."

Rep. Price has co-sponsored a House resolution calling for suspension of all military aid to Turkey until that nation has withdrawn all of its armed forces from Cyprus.

The congressman is "deeply concerned" about the situation on Cyprus and believes its sovereignty must be preserved. He said the Turkish government "may have had some legitimate grievances, but they should have been resolved at the conference table rather than on the battlefield."

Appraisal meet

The first regular monthly meeting of the fall season of Southern Illinois Chapter 152, Society of Real Estate Appraisers, will be held Sept. 3 at Augustine's Restaurant, Belleville, at 7:15 p.m. All persons actively engaged in appraisal of real estate as a profession are invited.

THE NEW AND THE OLD in traffic lights, as John Desmond, a worker for R. Dron Electrical Co. completes final touches on new signal lights at 23rd Street and Madison Avenue. The long overhead structure supports lights over the center of the street. New lights and wider intersections are being placed at four locations under a federally funded safety and improvement program. Other intersections at which new lights and pavement are being installed are on Madison Avenue at 20th and 27th streets and Niedringhaus Avenue. (Press-Record Photo)

Belleville hospital expanding

(Illinois Metro East Industrial Development Corp.) Plans have been approved for a major expansion at Belleville's Memorial Hospital. The Alliance for Regional Community Health approved plans for a 120,000-square-foot addition, including expansion of the emergency room and operating rooms and construction of a new 15-bed intensive-care unit. The \$10 million project is expected to begin next year and be completed in 1978.

Bi-State Development Agency is considering a proposal to expand its port facilities at Granite City to accommodate two more firms. Olin Corp. proposes to build a \$1.1 million bulk fertilizer storage and distribution terminal at the port. The second firm plans a \$1.7 million bulk storage and handling terminal. Both projects would be financed by revenue bond issues.

The Terminal Railroad Association has begun use of its

new \$3.6 million computer operated rail classification yard at Madison. The complex features a 13-foot hump from which rail cars move toward 32 new classification tracks. Rail officials expect the new yard to expedite rail car handling in the region.

P. N. Hirsch Co. has opened a new 12,000-foot store in Washington Park. The new store is the 30th in Southern Illinois for the company.

The East St. Louis City Council has allocated \$80,000 in motor fuel tax funds to begin work on a \$15 million project to remove rail tracks from highway crossings in the city. The allocated funds will be used in development of preliminary studies and plans for the project, which is to be coordinated with plans to relocate rail facilities along the riverfront.

Company's new multi-million-dollar soybean processing plant in Granite City. Employment will total about 75 persons. The plant will process 2,000 tons of soybeans per day, double that which was planned originally when the plant was announced last year.

A Belleville resident, Blanche Helwig, has been appointed to the board of the Bi-State Development Agency.

Walter T. Simmons of Venice, has been reappointed and Clyde Boyd of Granite City has been appointed to the board of the Tri-City Regional Port District. William Keel has been named president of Belleville Area College, succeeding H. J. Habersacker, who will retire at the end of this month.

Charge Venice man
Guy David Hill, 24, of 1235 Klein St., Venice, was arrested at his home during the weekend and was brought to the Granite City Police Department, where he was charged with a violation of the anti-trust law. Officers said the charge stems from an investigation of a motorcycle. Hill was released on \$302 cash bail.

Miss Palcheff to wed in fall

The engagement and approaching marriage of Miss Donna Marie Palcheff and Army Private Phil Davis are being announced by the bride-to-be's parents, Madison Supt. of Schools and Mrs. John Palcheff, 1545 Third St., Madison.

Plans are being made for a wedding in late fall. Miss Palcheff, a 1973 graduate of Madison High School, currently is employed at the Federal Reserve Bank in St. Louis.

Her fiancé is the son of the late Mrs. Patricia F. Watson and stepson of Tom Watson of Columbia, Mo. The family formerly resided in Madison. Mr. Davis was graduated in 1971 from Edwardsville High School and attended Southern Illinois University at Edwardsville for 1½ years prior to entering the U. S. Army last November.

Presently, the groom-elect is assigned to the Tripler Army Medical Center's psychiatric division in Hawaii. He is expected to remain in Hawaii for 2½ years.

MISS DONNA MARIE PALCHEFF. Her engagement to Army Private Phil Davis is being announced by the bride-elect's parents, Madison Supt. of Schools and Mrs. John Palcheff. A wedding in late fall is being planned.

Business women hear 'Panel on Finance'

Areas of finance and their relationship to programs and services offered by the Business and Professional Women's organization were covered in detail last week at the Granite City BPW Club's monthly dinner meeting at Charlie's Restaurant.

Sparking the program was a panel of club members, who explained various aspects of financing, expenditures and fund raising.

Mrs. Gladys Newman, finance committee chairman, was in charge and Mrs. Vernice Wortman served as panel moderator.

Mrs. Wortman noted that rewards now available through BPW programs "are the result of services given over the past 50 years since the business women's organization was founded."

Panelists and the topics they discussed, included:

Mrs. Pauline Weir, immediate past president, who spoke on the subject "Gathering of the Do." She covered areas pertinent to budgeting and

GRANITE CITY PRESS-RECORD
Thurs., Aug. 29, 1974 Page 2

explained the importance of a budget, what should be included and described expenses incurred by the international and national BPW programs.

Mrs. Sylvia Wright, program planning chairman, reviewed projects sponsored by the BPW chapter to raise funds and urged "wholehearted support" from club members in support of the activities.

Mrs. Mary Batson, a past president, discussed various scholarships awarded by the club each year, including those granted to students and others to mature women in the community who wish to further their education and/or careers.

Club finances in general were explained by Mrs. Rebecca Slate, who emphasized the importance of a group being solvent in order to expand its programs and survive.

Mrs. Weir and Mrs. Slate served as co-chairmen for the panel program.

Special music was provided by Mrs. Valerie Stevens and the choir presented prizes to Judy McCann, Maxine Butler and Clea Whitaker.

Miss Annellen Smith, BPW president, conducted the business session and introduced Mrs. Catherine Burton, of Collinsville, president-elect of the Illinois Federation of Business and Professional Women's Clubs.

Mrs. Burton invited the Granite City club to attend the Regis Philbin television show at 3 p.m. Oct. 5, together with the Collinsville BPW Club. She also said a membership drive will be initiated in which Districts 13, 14 and 16 will compete for honors.

Miss Smith announced the appointment of Mrs. Lorene Sadrakula to fill the office of second vice-president, replacing Mrs. Sandra Tadlock, who has resigned.

In other business, members were asked to donate items to Country Store booth, to be sponsored at the Charity Days event at Nameoki Village Shopping Center, Sept. 19 to Sept. 21; heard plans for a roller skating party on Sept. 16 at the Stardust Rink to aid special education children; and discussed plans for a float to be entered in the Sept. 4 Shriner's parade, reported by Mrs. Ann Graklanoff, community affairs chairman.

Mrs. Delores Allen, a past president, assisted during the induction of four new members, Mrs. Judy McCann, Mrs. Ruth Bier, Mrs. Lavell Stevens and

Mrs. Jackie Logan. The newcomers were assigned club members, Ollie Derr, Helene Blachoff, Mrs. Allen and Mrs. Sadrakula, as "big sisters."

Candidates approved for membership, who will be initiated at the September meeting, included Vera Farrow, Betty Rice, Maude Chilton and Marlene Palek.

Mrs. Batson reported two \$200 scholarship grants have been made available through Earl Tucker, owner of the Granite City School of Beauty Culture, for presentation to students interested in attending the beauty school.

A combined membership meeting and style show is scheduled at 7 p.m. today at Betty's Beauty Nook, 2200 Illinois Ave., it was announced.

Edward F. Reiske, executive director of the Tri-Cities Area Chamber of Commerce, will be guest speaker at the Sept. 18 dinner meeting in the Media Room at the Laclede Gas Building in St. Louis.

Also planned for September were an executive board session at the East St. Louis Levee and Sanitary District office on Madison Avenue, at 7 p.m. Sept. 10; and a personal development class with Mrs. Genevieve Grady on Sept. 17.

HURT IN ACCIDENT

Mrs. Margaret Copeland, 49, of 2219 Iowa St., injured in an auto accident last week, was x-rayed at St. Elizabeth Hospital due to pain around the ribs and was released.

MRS. ALLEN NEWBERRY, the former Miss Paula Jean Kudelka, a daughter of Mr. and Mrs. Robert Kudelka, Rural Route One, Granite City. She was married in an evening ceremony at the Second Baptist Church.

Paula Kudelka married at 2nd Baptist Church

Miss Paula Jean Kudelka, a daughter of Mr. and Mrs. Robert Kudelka, Rural Route One, Granite City, and Allen F. Newberry, son of Mr. and Mrs. Garfield Newberry, 3840 Lake St., exchanged wedding vows on Aug. 17 at the Second Baptist Church.

The Rev. Eugene Dutton performed the double ring ceremony at 7 p.m., before an altar decorated with urns of summer blossoms arranged with ferns and variegated pampasgrass.

For her wedding, the former Miss Kudelka selected a gown of Chantilly lace and organza. A camelot cap of Chantilly lace, etched with seed pearls, held in place her elbow length bridal veil, edged with a narrow lace ruffle.

Long Victorian lace sleeves were set into a molded bodice lavishly accented with lace motifs and an organza ruffle forming a V design. The high oval neckline and apron effect on the full skirt were created of lace and motifs bordered the chapel train.

Her colonial bouquet was an arrangement white daisies, miniature carnations and baby breath, centered with a single

yellow, pink and blue carnation and encircled with a garland of lace.

The matron of honor, Mrs. Debra Buckingham, a sister of the bride, and bridesmaids, Miss Hilda Bidler and Miss Gail Lewis, wore identically styled voile gowns in rainbow colors of blue, pink and yellow.

Their dresses were fashioned with fitted floral bodices, featuring long puff sleeves and high standup collars. The A-line skirts of solid color voile were designed with a ruffled flounce at the hemline.

The groom chose Marvin Buckingham, a brother-in-law of the bride, as his best man. Groomsmen included Dave Morgan and David Newberry, the groom's brother.

Escorting the guests to their seats were Dave Getz and John Kudelka.

A reception was hosted at the Polish Hall, 828 Greenwood St., Madison, after the service. Attending the guest book was Karen Newsberry, a sister of the groom.

Both the bride and groom attended Granite City High School. The groom was graduated in 1973 and is employed at Granite City Steel.

Jeans popular for school wardrobes

If you were to choose the most popular clothing item for school wardrobes, jeans would win a hands-down victory.

Here are some buying tips for this much sought-after clothing item.

Proper seaming is especially important for smooth contour, comfort and durability.

Flatfall seams leave no open seam allowances to ravel during wear and laundering. Such seams, which have two rows of stitching, are enclosed on both the outside and the inside of the garment.

Check to see that seams are neatly constructed and firmly stitched. Seams other than flatfall should be overcast with thread to cover the raw edge and reduce raveling.

A waistband made of two or more layers of fabric will reduce stretching in the waist area. If the jeans have no waistband, look for an interfacing of firm fabric sewn into the waist seam for stability.

Places of stress like corners of pockets, belt loops and the

bottom of the zipper placket should be reinforced with thread bar tacks or rivets.

Special styling, such as embroidered pockets, will not only increase the price but also make the jeans less durable.

To select the correct size of jeans, take into account the amount of shrinkage anticipated and also the fashion, such as leg length and width. Most jeans have a sewn-in care label. Be sure to read it and follow the directions.

It is recommended that you wash red jeans separately. Pastel and white jeans may be put with regular wash, and dark-colored jeans may be washed with other dark clothes.

Tumble dry and remove the jeans from the dryer promptly. By overwashing or overdrying, you waste scarce energy. Unless you really want the jeans lightened, do not use bleach.

Jeans that are made-to-fade require separate washing. The hotter the water, the faster they fade.

BEVERLY FRANCIS
Barnes graduate

Receives nursing degree at Barnes

Miss Beverly Francis was among 78 students who graduated from Barnes Hospital School of Nursing, St. Louis, during weekend ceremonies at Saint Louis Cathedral.

She is the daughter of Mr. and Mrs. Richard Francis, 2526 Edison Ave., and a 1972 graduate of Granite City High School. Miss Francis has accepted a nursing position at St. Elizabeth Hospital.

The commencement address was delivered by Jack Pennington of the Forest Park Community College faculty.

Robert E. Frank, president of Barnes Hospital, presented the diplomas and Miss Joan Hrubetz, director of the School of Nursing, awarded school pins to the graduates.

GC students at William Woods

Two Granite Cityans are among the 1,022 fulltime students enrolled for the 1974-75 academic year at William Woods College in Fulton, Mo.

They are Miss Elaine Todoroff, daughter of Mr. and Mrs. Nick Todoroff, 32 3127 Colgate Place, and Miss Karen Lynn Karandjef, daughter of Mr. and Mrs. Robert Karandjef, 2541 Cleveland Blvd.

Both are graduates of Granite City High School and are returning upperclasswomen at the school, where the fall semester started this week.

The curriculum at William Woods embraces programs leading to bachelor of arts or bachelor of science degrees in 28 major disciplines and bachelor of fine arts degree in art and theatre arts.

New programs provide for baccalaureate majors in special education, equestrian studies, paralegal technology and other degree areas specially structured for career-oriented opportunities in the foreign service. Additional opportunities in law, medical technology, nursing, animal science and engineering are available through cooperative endeavors with other institutions.

More than 40 states and 12 foreign countries are represented among the current student enrollment.

20 NAMEOKI VILLAGE — GRANITE CITY, ILL.

Boyer-Hamilos nuptials at St. John United

St. John United Church of Christ, 2901 Nameoki Road, was the scene of the early evening wedding on Aug. 24 of Miss Nancy Elizabeth Hamilos, a daughter of Mr. and Mrs. Angelo Hamilos, 3129 Davis Ave., and Paul Allen Boyer, son of Mr. and Mrs. John Boyer, 3437 Lydia Lane.

The Rev. Carl Eschenbrenner performed the double ring ceremony at 6 o'clock before an altar adorned with arrangements of red, yellow, blue and pink roses and mums. White satin bows marked the pews and the aisle was illuminated with hurricane lamps holding burning tapers.

Mrs. Irene Barwick presided at the organ and accompanied Dan Hamilos, a cousin of the bride, who sang "One Hand, One Heart," "We've Only Just Begun," "Colour My World," "For All We Know" and the Lord's Prayer.

Theme from Romeo and Juliet was played as the bride was escorted down the white carpeted aisle by her father. She wore a white organza gown enhanced with Venice lace motifs and complemented with a mantilla veil of illusion, edged with lace trim.

An accordion played ruffles, accented with Venice lace, created the cuffs of the long sheer sleeves and the high neckline and formed a V-design on the fitted bodice.

Double ruffles encircled the hem of her slightly gathered skirt. She carried a round

bouquet of daisies, carnations, baby breath and stephanotis. The matron of honor, Mrs. Pamela Colp, selected a long blue dress of embossed floral nylon fashioned with a ruffled collar, long sleeves and Empire waistline.

Miss Janice Hamilos, a sister of the bride, Miss Cindy Dugger, the groom's sister and Miss Shirley Brokaw, bridesmaids, chose identically styled gowns in violet, yellow and pink.

Each attendant wore a white straw hat trimmed with blue streamers to match her frock and carried a white straw basket of blue daisies and baby breath festooned with blue ribbons.

Mike and Vicki Semanisin served as ringbearer and flower girl. She was dressed in a mint green dress with a standup collar and a full skirt. She held a basket of daisies.

The groom chose Mike Byrd as his best man. Bill Witkamp, Dave Dugger, the groom's brother-in-law, Phil Mull, a cousin of the groom, were groomsmen.

Escorting the guests to their seats were Ken Reuter, Mike Hickey and Dwayne Pritchett. Deanne Davenport was in charge of the guest book at a reception given at Holy Trinity Hall, Madison, following the service.

Mrs. Hamilos, mother of the bride, chose a gown featuring an embroidered lace bodice made with a V-neckline and long sleeves and a softly

MR. AND MRS. PAUL A. BOYER, whose wedding took place at St. John United Church of Christ, 2901 Nameoki Road. The bride is the former Miss Nancy Elizabeth Hamilos, a daughter of Mr. and Mrs. Angelo Hamilos, 3129 Davis Ave.

gathered skirt of beige chiffon. The groom's mother, Mrs. Boyer, appeared in a full length dress of orchid organza fashioned with long sleeves. The high collar was accented with an antique pin.

After a wedding trip to Tan-Tar-A Resort in the Ozarks, the newly married couple will reside in Granite City.

Both were graduated from Granite City High School. The former Miss Hamilos is now employed at Granite City Trust and Savings Bank.

Her husband attended Southern Illinois University and works in the cost accounting department of Granite City Steel.

Handicraft Club fetes Mrs. Vivod

The Ladies Handicraft Club attended the Plantation Dinner Theatre in St. Louis County during the weekend to celebrate the birthday of Mrs. Francis Vivod, a club member.

Attending were Mesdames Mary Bridick, Alexandra Severine, Sue Perdicaris, Vivienne Danco, Ann Kuhlman, Irene Kadane, Ann Mega, Gladys Skubish, Kate Pedora and the honoree.

The September meeting will be held in the home of Mrs. Danco.

PAIS FROM CYCLE

David Nichols, 17, of Rural Route Two, Box 877, injured when he fell from a motorcycle last week, was treated at St. Elizabeth Hospital for abrasions to his back, left ribs and left elbow, and was released.

MARRIED. Navy Seaman Apprentice and Mrs. Douglas G. Pritchard, whose wedding was solemnized at the Church of God, 2301 Orville Ave. The bride is the former Miss Elizabeth Pauline Legate, a daughter of Mr. and Mrs. James R. Legate, 2804 Willow Ave.

Elizabeth Legate and Douglas Pritchard wed

Miss Elizabeth Pauline Legate, a daughter of Mr. and Mrs. James R. Legate, 2804 Willow Ave., and Navy Seaman Apprentice Douglas G. Pritchard, a son of Mr. and Mrs. William Pritchard, 2404 Cardinal Ave., exchanged wedding vows on Aug. 17 at Church of God, 2301 Orville Ave.

Officiating at the double ring ceremony at 8 o'clock in the evening was the Rev. Garland Mills.

Altar bouquets of white gladioli, mums and greenery were arranged between branched candelabra holding burning white tapers. Sharon Kunick sang "First Time Ever I Saw Your Face" and "If," accompanied at the organ by Rene Johnson.

For her wedding, the former Miss Legate chose a gown of white English net over taffeta worn with a Venice lace cap to secure her elbow length veil. She carried a teardrop bouquet of pink and blue carnations.

Venise lace flowers centered with bugle beads defined the

high neckline, and accented the short puff sleeves and Empire waist. Vertical rows of decorative lace adorned the A-line silhouette skirt, sweeping backward into the chapel train.

Attending the bride were Sara Perkins and Cindy Hoeller. They wore identically styled Empire gowns of daron petit point dot in blue and pink.

Their dresses featured square necklines, fitted bodices and an over-the-shoulder ruffle marked with Venice lace trim. A wide ruffled illusion encircled the bottom of the semi-straight skirts.

Both attendants carried nosegays of carnations in shades to match their attire.

Beth Ann Earney served as a junior bridesmaid and Robin Earney as a youthful version of the bride.

James R. Legate Jr., a brother of the bride, was best man. Chris Pritchard, the groom's brother, served as groomsmen, with Matthew Legate, the bride's brother, and David Costello as ushers.

GRANITE CITY PRESS-RECORD
Thurs., Aug. 29, 1974 Page 39

Jolly 12 meets with Mrs. Lehne

Mrs. Mable Lehne was the August hostess to the Jolly 12 Pinocchio Club for a noon luncheon followed by games.

Prize winners were: Mrs. Emma Steinberg, first; Mrs. Ardell Lanes, second; Mrs. Lehne, third; Mrs. Kathryn Smithson, fourth, and Mrs. Panny Ousley, consolation prize.

Others attending were Mrs. Pauline Stephens, Mrs. Jean Barnes and Mrs. Verna Michel. Mrs. Lange will host the next meeting in Edwardsville.

CHRISTOPHER MARTINEZ OBSERVES 1ST BIRTHDAY Christopher Martinez, son of Mr. and Mrs. John Martinez, celebrated his first birthday at a party last week given by his parents. A "teddy bear" theme was carried out in the decorations.

Cake and ice cream were served to Mr. and Mrs. Loren Schilling, Robyn Schilling, Mr. and Mrs. Jose C. Martinez, Mr. and Mrs. Frank Aiello and children, Mrs. Pam Dymas, Miss Doris Burris, Don Treaster, Mr. and Mrs. Joe L. Martinez, Mary L. King and Carl J. King.

Danny Pritchard, another brother of the groom, was ringbearer.

Guests were received by the newly married couple at a reception held at the Tri-Cities Area YMCA immediately following the ceremony.

The couple is now in Maryland, where they will reside while the groom is stationed at Annapolis with the U.S. Navy.

Past officers to be honored

Mrs. Betty McClintock, worthy matron, and Harry McClintock, worthy patron, presided at a meeting of Granite Chapter 650, Order of Eastern Star, at the Masonic Temple during the weekend. They announced all past matrons and past patrons will be honored at the Sept. 13 session.

Also reported were New Hope Chapter 432 plans to honor members and officers of Granite Chapter 650 at its regular meeting on Sept. 6.

Other activities announced by the officers, include a Southern Illinois Patrons Club dinner dance on Sept. 21 at Augustine's Restaurant, Belleville, and a businessmen's luncheon for the public on Oct. 11, from 11 a.m. to 2 p.m., at the Masonic Temple.

Refreshments were served in the dining room to conclude the evening.

Open Every Night Mon. thru Sat. 9 a.m. to 9 p.m.

WE WANT TO SELL CARS. YOU WANT TO SAVE MONEY.

IT'S THAT SIMPLE.

Right now, many Chevrolet dealers are offering year-end savings on in-stock Vegas.

Vega is America's best-selling little car.

Good gas mileage, sporty good looks, good handling. That's a lot to ask of a little car. Well, that's Vega.

And no matter which Vega model you favor, Vega Notchback right on up through the Vega Hatchback GT and Vega wagons, you really ought to ask your dealer about year-end savings now while he has '74s in stock that he wants to clear out. He'll be able to tell you more about Vega's responsiveness and economy, too.

Chevrolet wants to sell cars, you want to save money. That's why Chevrolet's Year-End Savings Plan makes sense.

Chevrolet makes sense for America. Chevrolet

Vicky Harris becomes Mrs. Harry Jones Jr.

Miss Vicky Wanda Harris became the bride of Harry Edward Jones Jr., in a candlelight ceremony performed at 6:30 p.m. on Aug. 9 in the home of the bride's parents, Mr. and Mrs. Robert E. Harris, 1404 Norwood Drive.

The Rev. George Johnson, a St. Louis minister, officiated at the private double ring service before a credenza decorated with white gladiolus and yellow pom poms and lighted tapers in gold and crystal candelabra. Parents of the groom, Mr. and Mrs. Harry E. Jones Sr., reside at 1947 President St., St. Louis.

For her wedding, the former Miss Harris chose a white floor length gown of white chiffon over taffeta made in Empire style with a slightly gathered skirt.

Venise lace inserted with satin ribbon accented the cuffs of the bishop sleeves, the high collar and high rise waistline.

She wore a headpiece of white pom poms, blue daisies and baby breath and held a colonial bouquet of white pom poms, pink

Sweetheart roses and baby breath, intermingled with blue daisies.

A sister of the bride, Miss Patricia L. Harris, served as honor attendant. She chose a pale blue polyester dress enhanced with a white collar and white cuffs on the puff sleeves, complemented with a white picture hat with blue velvet ribbons.

Her bouquet consisted of white pom poms, blue daisies and baby breath.

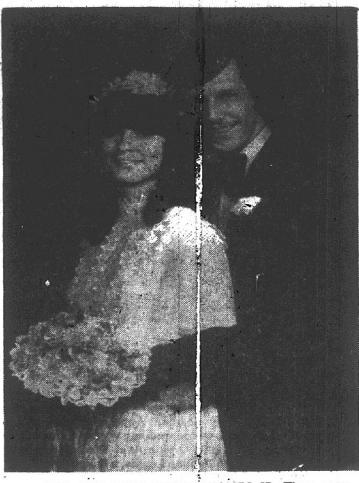

The groom selected Wayne Lunsford as his best man.

Following the service, a buffet reception was held in the Harris home.

The newly married couple is residing in Granite City after a wedding trip to the Missouri Ozarks.

Mr. Jones is a graduate of Granite City High School, the bride is now employed as a secretary at the Purdy Co. Madison.

Mr. Jones was graduated from Roosevelt High School, St. Louis, and works as a sales representative for Arthur Fulmer Co., St. Louis.

MR. AND MRS. HARRY JONES JR. They were married in a candlelight ceremony taking place in the home of the bride's parents, Mr. and Mrs. Robert E. Harris, 1404 Norwood Drive. She is the former Miss Vicky Wanda Harris. (Hillywood-Andrew Studio)

New minister at 3rd Baptist.

The Rev. Roy Johnson, a native of St. Louis County, has assumed the duties of pastor at Third Baptist Church, 26th Street and Grand Avenue. He delivered his first sermon at the local church this week.

The new minister succeeds the Rev. Carl Watkins, who has accepted a pastorate at Carbondale.

Married in 1950 to the former Gloria Swafford of Brentwood, Mo., the Rev. Johnson and his wife are the parents of a married daughter, Donna, and a son, Steve, who sings with the "Up With People" organization.

The Rev. Johnson entered Hannibal-LaGrange Baptist College in 1953 and was ordained in his home church in Rock Hill, Mo., in March 1964.

He has served as pastor at churches in Atlanta, Mo., where he was chairman of a steering committee to raise funds to construct a Baptist Student Union on the campus of Northeast Missouri University at Kirksville, and at First Baptist in Henrietta, Mo.

At First Baptist Church in

REV. ROY JOHNSON
3rd Baptist pastor

Jay, Okla., the Rev. Johnson led an extensive building and stewardship program, starting in 1962, and also served as chaplain of the Oklahoma State Senate.

From 1967 to 1972, he was an evangelist, pulp supply and interim pastor at many churches. He became the minister at Valley Center at Harrison, Mo., in October 1972, but less than three months later he and his wife were involved in a serious automobile accident.

Injuries forced the Rev. Johnson to remain inactive for some time. He resumed his work as a Bible teacher, evangelist and interim pastor last spring.

The new pastor holds a bachelor of arts degree from William Jewell Baptist College and a master's degree from Central Missouri State at Warrensburg. Currently, he is working toward his doctorate in theology.

The family presently lives in Lemay, Mo., but is expected to move shortly to Granite City.

HOLY LAND SLIDES AT NORTH GRANITE CHURCH

A special showing of Holy Land slides will take place at 7:30 p.m. Saturday at the North Granite Pentecostal Church, 701 Twenty-eighth Place, the Rev. Roy Reeves, pastor, announced this week.

All worship services and Saturday's program of slides are open to the public, the minister said.

Arthur Odells mark 40th year

Mr. and Mrs. Arthur (Ruth) Odell of Washington, Ind., formerly of Granite City, were honored this week at an open house reception celebrating their 40th wedding anniversary given in the home of a son-in-law and daughter, Mr. and Mrs. Gerald F. Hall, 2961 Edison Ave.

Co-hosting the afternoon were another son-in-law and daughter, Mr. and Mrs. Arch Stagner of Lebanon, Ill.; sons, R. Michael Odell, 2529 Adams St., and John E. Odell of Brimley, Mich.; and a son and daughter-in-law, Mr. and Mrs. Charles Odell, also of Washington, Ind.

The honorees received 62 guests, including out-of-town visitors, Mr. and Mrs. Ed Meyer, Mr. and Mrs. Paul Golder and daughter, Paula, and George Sohn, all of Carlyle, Ill.; Mr. and Mrs. Richard Simmons of Greenville, Ill.; Mr. and Mrs. James Golder and son, James, and Mrs. Dorothy Golder, all of Keosauqua, Ill.; Mr. and Mrs. Olin Foeher of Beckenmeyer, Ill.; Mr. and Mrs. Carroll Leak and daughters, Barbara and Nancy of Florida, Ill.; Mrs. Ruby Reinhardt and Mrs. Shirley Sida, both of Warren, Mo.; and Mrs. William Stagner of Troy.

Local guests were Mrs. Al Schaefer, Mr. and Mrs. John Hamm, Mr. and Mrs. C. T. Beasley, Mr. and Mrs. Joe Kennerly, Mr. and Mrs. James Hinson, Mr. and Mrs. Lester, Mr. and Mrs. Donald J. Hall, Mr. and Mrs. Jerry Rhodes and son, Paul, Mrs. Otto Shelton, Mrs. Robert Burgess, Mrs. Charles Sturdivant and daughter, Joanne, Mrs. Walter Hundley, Mrs. Leslie Watts, Mrs. Mina Homyer, Gene Hall and Wilbur Loyett.

Mr. and Mrs. Arthur Odell were members of Central Christian Church prior to moving to Indiana about 10 years ago. Odell retired this summer from the Baltimore and Ohio Railroad, where he had been employed for 33 years.

Those selected to represent their chapter in the project, are Mrs. JoAnn Kalert, Xi Epsilon Chi; Mrs. Sharon Rush, Xi Theta Omega; Mrs. Mary Ruth Snelson, Pi Eta; Mrs. Barb Wagner, Theta Iota; Mrs. Linda Givens, Theta Theta; Mrs. Linda McKeehan, Nu Zeta; Mrs. Virginia Johnson, Preceptor Beta Theta; and Mrs. Evelyn Tolliver, Preceptor Beta Gamma.

Workshops to complete preparations are scheduled on Sunday and Tuesday at 7 p.m. Artificial grass to be used on the float has been donated by St. John United Church of Christ, Mrs. Wilson said.

Persons riding on the float will be attired in the native dress of different foreign countries, according to Mrs. Wilson and Mrs. Shirley Parkey, co-chairmen.

Fair for senior citizens

The Community Involvement Project of Southern Illinois University at Edwardsville will hold its fourth fall senior citizen fair at the University Center, Sept. 11 from 9 a.m. until 4 p.m.

"Senior citizens will have a whole day in which to learn what other senior citizen clubs are doing."

"They will be able to talk with representatives of area social service agencies which offer senior citizens benefits and services," Tim Tighe, chairman, said.

Club handicraft, art and hobbies will be on display in Goshen Lounge.

The senior citizens will be entertained by local kitchen bands, the Old Guys Jazz Band and a concert by a children's string orchestra.

The SUIC concert chorale also has been invited to perform at the fair. "We'll wind up the fair with ballroom dancing in the Meridian Room with the Frank Cherry orchestra," the chairman related.

"We feel that senior citizens are a major part of our society. They are individuals who have invested an entire lifetime in our community. They helped make the university possible. The fair is our bonus to them."

Tighe said.

The fair is free. Lunch will be available at a moderate cost at the University Club or in the cafeteria.

Church window project planned

The Ladies-In-Action group met at Briarcliff Pentecostal Church Monday night and discussed plans to purchase stained glass windows for the church.

Mrs. Phyllis Allen was named chairman of the project. She was asked to secure funds relating to the purchase and present a report at the next meeting.

Opening prayer was offered by Mrs. Beulah Mills and the president, Mrs. Christine Stenitzer, was in charge of the business session.

Members completed plans to sponsor a booth during Charity Days at Nameoki Village Shopping Center in September, and made tentative arrangements for the class Christmas dinner on Dec. 16.

Mrs. Mills and Mrs. Douglas Cook served refreshments to those named and to Mesdames Norma Fenoglio, Wanda Watson, Opal Orrell, Maggie Metcalf, Betty Bonilla, Dorothy Smith, Helen Canada and Ann Hotsen.

St. John United preschool class

Registration for preschool classes at St. John United Church of Christ, 2901 Nameoki Road, will take place from 9:30 to 11:30 a.m. Friday and during the same hours on Wednesday, Sept. 4, at the church office.

Mrs. Carol Chappell, director, announced today.

Classes at the St. John Preschool Center will commence Monday, Sept. 9. The school will be operated from 9 a.m. until 11:30 a.m. Monday through Friday until next June.

Children must have reached their fourth birthday before Dec. 31, 1974, to be eligible to attend. Registration fee is \$5 per child and tuition costs are \$2 per day for each youngster.

Among the objectives of the preschool center are providing creative learning experiences for each child, including basic skills in language, music and art, development of motor coordination and religious awareness and social communication with children of the same age level, the director said.

Mrs. Cheryl Humphreys will serve as assistant director at the center.

Gallardi, Mr. and Mrs. Jim Snelson, Mr. and Mrs. Bud Groug and a guest, Dave Snelson.

The Sept. 9 meeting will be hosted by Mrs. Charlotte Charbonnier.

Divers aid ecology move.

Tons of debris were collected in an ecology dive sponsored by the East Side Diving Club of Granite City. The dive was combined with skin and scuba competition during the weekend at Lake Stockton, Mo.

It was the local club's first dive to be sanctioned by the Midwest Dive Council (MDC) since joining the council in October 1973. Ten of MDC's 22 affiliated clubs were represented, including divers from Missouri, Kansas and Illinois.

During a two-hour period on Saturday, about 60 divers retrieved huge quantities of trash from the lake bed. Cans and rubber tires accounted for most of the rubbish, which filled three pickup trucks used to haul away the debris.

A spokesman for the East Side club said the large amount of trash collected was unexpected as Lake Stockton is a relatively new impoundment.

Ron Kibort, of the local diving group said participants in MDC-sanctioned dives are required to follow strict safety rules, including two or more divers working together at all times and registration of boats and occupants prior to events starting and upon the craft's return to shore.

Roll calls are taken to enforce regulations which require safety life vests to be worn by divers and knives to be carried at all times. Divers without such equipment are disqualified from competition, Kibort said.

Top honors in spearfishing were won by Phil Kennedy of the Show Me Divers of Joplin, Mo.

Awards were presented to divers spearing the largest fish, most fish and those collecting the largest quantity of trash. In the latter contest, one diver retrieved 143 separate pieces of junk, Kibort said.

Forty-three trophies and more than \$600 worth of diving equipment were donated by the East Side Divers Supply Co., 2750 Madison Ave., to the contest winners.

The Granite City club members were hosts to all divers and their families at a party Saturday night at the campsite, serving 400 pounds of food, 400 winners, 12 cases of soft drinks and three half-barrels of beer, Kibort said.

RADIOS ARE STOLEN

Two citizens' band radios and a speaker were stolen from two cars of Louis Trgovich, 3005 Sunbury Ave., at Trgovich's home, it was reported Monday.

CLEANUP OPERATIONS at Lake Stockton, Mo., led by local scuba divers and representatives of 10 Midwest Dive Council clubs, netted tons of rubbish, enough to overload three pickup trucks. Debbie Holt, of Madison, center, and Ron Kibort, extreme right, are members of the East Side Diving Club of Granite City.

WEIGHING IN. John Grams, left, of the East Side Diving Club checks the weight of a carp speared by a competitor in a spearfishing event sponsored by the local diving group at Lake Stockton, Mo. About 60 divers took part in the weekend ecology dive and contests.

Indian dances at Cahokia Mounds Park this weekend

Cahokia Mounds Indian Dancers of Collinsville will present a full 90-minute program of interpretive American Indian dances at Cahokia Mounds State Park Friday, Saturday and Sunday, Labor Day weekend.

The group has become well known in this region for its performances this summer at the visitor center of the Gateway Arch and other appearances.

The dancers have performed for well over a half million people at the Memorial, and have appeared at the Illinois State Fair in Springfield and various other fairs and gatherings in Missouri and Illinois.

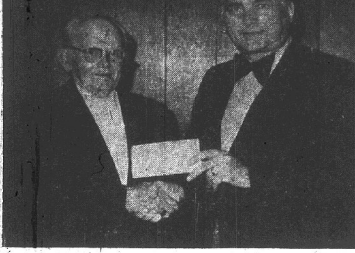

The performance at Cahokia Mounds State Park will feature the dancers in a natural setting and will make use of special lighting and colorful teepees and backdrops to enhance the presentation.

Cahokia Mounds State Park is located immediately south of Interstate 70 on old Route 40. The performance site is at the foot of Temple Mound, across from the park museum.

The performances will begin at 8:15 p.m. The audience is advised to bring blankets or lawn chairs for seating, and insect repellent, Frank Joachimsthaler, director, said.

BREAK SCHOOL WINDOWS

About 15 panes of window glass were broken by rocks at Emerson School, 20th and Benton streets, it was reported Monday.

Caution is necessary around stored grain

By RON CORNWELL
University of Illinois
Extension Advisor

Accidents involving flowing grain seem to be on the increase. Each year, some people suffocate from flowing grain accidents.

Howey Hirling, University of Illinois agricultural engineer, reports that most of these accidents happen while unloading wagons or bins.

When a person walks on shelled corn, the internal friction of the grain holds him up. But as a bottom unloader operates, it continually removes the foundation and grain from the top flows in to fill the void. If a person is on top of the grain, he flows in with it.

It takes only two or three seconds for a person to sink far enough into flowing grain that he cannot get out without assistance.

Children often like to play in a bin full of grain or a wagon load of grain.

If it is a bottom unloading wagon or bin, keep children and adults both off the grain. It is better to be safety conscious than to regret an accident that shouldn't have happened.

Sept. 6 is a date many Madison County farmers will want to mark on their calendar. This is the date of the fall Brownstown Agronomy Field Day. Wagon tours will lead in the morning and continue until noon.

University of Illinois agronomists will be stationed at the various research plots around the field to bring the group up to date on the latest agronomy research results.

Some of the stopover field day tour include corn and soybean fertility, corn and soybean herbicides, forages, double cropping and soybean varieties.

The performance at Cahokia Mounds State Park will feature the dancers in a natural setting and will make use of special lighting and colorful teepees and backdrops to enhance the presentation.

Cahokia Mounds State Park is located immediately south of Interstate 70 on old Route 40. The performance site is at the foot of Temple Mound, across from the park museum.

The performances will begin at 8:15 p.m. The audience is advised to bring blankets or lawn chairs for seating, and insect repellent, Frank Joachimsthaler, director, said.

The dancers have performed for well over a half million people at the Memorial, and have appeared at the Illinois State Fair in Springfield and various other fairs and gatherings in Missouri and Illinois.

KC honors 6 members

Knights of Columbus Council 1098 presented honorary lifetime memberships to six members during a meeting of the organization at the K of C Hall.

The grand knight, Dr. John Vasiloff, conferred the honors on Dan McGee, Henry Colligan, Lawrence Haug, Hubert Hennrich, J. B. Straubinger and Francis Schwarzkopf.

Dr. Vasiloff announced he has received a certificate from the Supreme Council commending the local council on its 1973-74 membership program.

Plans were completed during the business session to enter a decorated float in the Shriner's parade Sept. 4 and to sponsor a Halloween dance Oct. 16.

The council also will host a formation and knighthood degree on Sunday, Oct. 6. Don Stanton reported that the group's blood program is progressing as planned.

After the meeting, lecturer Eric Mooshagian served a luncheon.

GARY HEWLETT STARTS FRESHMAN YEAR at EIU. Gary Hewlett, son of Mrs. Edith Hewlett, 815 Staunton Ave., Madison, and the late Delmar Hewlett, is among the freshmen students at Eastern Illinois University at Charleston, where he is enrolled in pre-medical courses.

He is a 1974 graduate of Madison High School and a member of Explorer Post 104 of Madison.

ALISA GASPARCHOVICH GRADUATES WITH HONORS Alisa Gasparovich, daughter of Mr. and Mrs. Andrew Gasparovich Jr., 2150 Edison Ave., graduated with a bachelor of arts degree from the National College of Education at Evanston, Ill. She also received honors in education.

READY-MIX CONCRETE CALL LYBARGER 432-3170 or 432-6180

The herbicide 2, 4-D induces a leaf distortion on soybeans quite similar to that of soybean mosaic. Careless handling of 2, 4-D sprays in the stunted soybean fields can damage soybean leaves a long distance from the site of chemical application.

Mosaic is seed borne and transmitted by insects. Soybeans from an infected plant will be of low quality. Fields with the disease present should not be kept for seed beans.

The appearance of infected plants in a soybean field might cause concern to an owner because of the prominent symptoms of the disease. However, the disease has not caused serious damage in Illinois.

The leaves of a plant infected with mosaic are distorted and narrower than normal and their margins turn downward. They may have a yellowish case and usually show dark, blister-like puckering along the veins.

Under certain conditions, the leaves may be severely distorted. The infected plants usually show some stunting.

CONGRATULATIONS! First Granite City National Bank is happy to announce the names of the winners of the Grand Prize and 26 Attendance Prizes given during our "Open House" last weekend to introduce First Bank's new drive-thru Auto Bank.

St. Joseph pre-school classes

Registration for pre-school classes to be held each Sunday from 9:30 to 10:30 a.m. at St. Joseph Catholic Church beginning Sept. 29 will be taken during the next two weeks. Sister Samuella, school principal, reports.

Classes for youngsters three, four and five years old will be held for the first time. They will offer religious instruction, activities and games.

Several mothers or young children will assist Sister Samuella at the weekly sessions.

The school principal said St. Joseph School again will collect Campbell soup labels to procure audio-visual equipment for the children or athletic education classes. Donations of the labels will be accepted from 7 a.m. to 7 p.m. every day at 2116 Edison Ave.

For more information on the pre-school, those interested may call 876-5421 or 876-8303.

A special ring for the Class of '76.

It'll be another 100 years before another class can claim a ring like this one. Our special design, commemorating America's 200th birthday, can be combined with your school mascot or colors. Or it can stand on its own. Come by now and see the ring that distinguishes your class from all the others. It's on display now.

Rockefeller praised by Illinois congressmen

Nelson Rockefeller's nomination to the Vice Presidency scored well with the two Illinois senators and most Illinois Republicans in the House, but two conservative congressmen have found little to cheer in President Ford's selection of the former New York governor.

While acknowledging Rockefeller's expertise, Rep. Edward J. Derwinski, R-4th Dist., and Rep. Philip M. Crane, R-12th Dist., said his confirmation as Vice President would not broaden the Republican base nor enhance the party's future.

Sen. Charles H. Percy, R-Ill., who recalled his support of Rockefeller's presidential candidacy in 1968, called him "an outstanding choice" as the vice-presidential nominee.

"Based on my own, intimate knowledge of Gov. Rockefeller's long and distinguished career as a public servant, and our warm personal association over the same period, I commend President Ford's nomination of Gov. Rockefeller to serve in the second highest public office of the federal government," Percy said.

Percy disclosed for the first time that Rockefeller was one of his recommendations to the President. Percy earlier declined to say whom he had recommended on the basis that President Ford had asked for nominations in "sealed envelopes."

Sen. Adlai E. Stevenson, D-Ill., "applauded" Rockefeller's nomination and pledged his enthusiastic support in the Senate.

"Gov. Rockefeller is a man of great stature in the politics of the nation and the world," the Illinois Democrat believes.

House Minority Whip Leslie C. Arends, who had kept his own selections mum, said he had been for Rockefeller on the basis that "I don't suppose he's the favorite of everybody, but I'm sure he will meet with good approval." Arends and reporters: "He's very able and knowledgeable."

"I predict he will be confirmed without any difficulty and turn out to be of great assistance to both the party and the country."

Arends said there is no reason Rockefeller should not be confirmed before the November election.

Rep. John B. Anderson, third-ranking House Republican, although ill at home with a fever, sent Rockefeller a congratulatory telegram pledging his support.

"The talent, experience and abilities you will bring to the office will be an unmistakable signal to the American public and the world that the Ford administration intends to vigorously pursue innovative, effective solutions to the great problems confronting the nation," the 16th District congressman wired Rockefeller.

Anderson said Rockefeller possesses "the qualities and abilities necessary to lead the American people out of the shadows of Watergate and into a new era of reconciliation, prosperity and national greatness."

The reaction of Derwinski and Crane contrasted sharply with the glowing testimonials of their Illinois Republican colleagues. "No," Derwinski reminded reporters in the House cloakroom, "he wasn't on my list. I was surprised. I assume he was selected for his administrative expertise."

"Jerry (President Ford) didn't need a contact on the Hill," Derwinski said.

"Rockefeller gives him good relations with the governors." While this supposed entree to Republican-held statehouses may broaden Mr. Ford's political base, Derwinski says the drawback is Rockefeller's age (66).

Derwinski believes that since Mr. Ford is to be a candidate for re-election in 1976, he should have picked a younger man to groom as his running mate.

"His appointment doesn't address itself to the future," Derwinski said. "I don't think a 72-year-old man (as Rockefeller would be in 1980) could be expected to run for President."

Derwinski said, however, that Rockefeller's selection is "Jerry's choice and his political responsibility."

NEW MADISON SCHOOL TEACHERS for 1974-

75 are, from left to right: Mrs. Virginia Gullede, sixth grade, Dunbar; Miss Debbie Graville, mathematics, junior high; Charles Jackson, early childhood, Harris school; Miss Ruth Marie Welch, 5th grade, Blair; Miss Paula Domino, art supervisor; Miss Jacqueline Adams,

2nd grade, Harris; Mrs. Judy Bolton, speech clinician, Blair and Harris; John Paskus, physical education, Madison High; and Miss Gloria Gardner, physical education, Louis Baer, Dunbar and the junior high.

(Press-Record Photo)

"Conservatives are not dancing in the streets, but I expect no adverse reaction," he added.

Crane was even more critical of the nomination, calling it a "handicap" rather than a "help" to the party.

"Politics is the art of addition, not subtraction," Crane said. "He does not have the basis of appeal in areas where the Republican party is growing most rapidly."

Crane gave seven reasons for regarding Rockefeller as less than the best choice: He's too old to be Mr. Ford's successor; he may overshadow the President with his "flamboyant and aggressive" style; he was rejected as a Presidential candidate by three Republican national conventions; his veto of anti-abortion legislation alienated New York Catholics; the Jewish community views Rockefeller family interests in the Middle East with suspicion; conservatives see him as the biggest taxing and spending governor in New York's history; and the Bible Belt takes a dim view of his divorce to marry "Happy."

Crane acknowledged Rockefeller may help Republican chances in the House, however, by "holding the 30 House mavericks" in the party.

Rockefeller backers among Illinois Republicans, on the other hand, have found much to praise in Rockefeller's long political experience.

Rep. Robert McClory, a member of the House Judiciary Committee which will hold confirmation hearings on the nominee, said Rockefeller is an old friend and a highly regarded one.

"He's the best choice President Ford could've made," the 13th District Republican said.

McClory said Rockefeller's hearings shouldn't take as long as Mr. Ford's. He believes the committee "went too far afield" in the Ford hearings and "some members abused the privilege."

McClory said it "would be better for the party and give the country a sense of ease" to confirm Rockefeller before the election. He contended that the 25th Amendment, which provides for the non-elective process that put President Ford in the White House, intends that the vice-presidential vacancy "be filled without delay."

Rep. Robert Michel, chairman of the Republican Congressional campaign committee, believes Mr. Ford, regarded as a conservative, chose wisely in selecting Rockefeller, regarded as a liberal who has moved right.

This combination, Michel says, keeps the executive level of the federal government from being "too lopsided one-way."

"Anyone who has been a mover, shaker and doer as Rockefeller has been over the years will be controversial," Michel said, "when it was suggested that the nomination had disclosed an incipient split in the party."

"Many people are going to be surprised by the tone and character of his philosophy," Michel added. "He's more conservative than his public image might imply."

Festival arrests

Charges of attempted burglary of a motor vehicle have been filed against two St. Louis men arrested during the weekend on a parking lot at the Mississippi River Festival. The arrest was made by SIUE security officers.

Mevin Walker, 23, and Charles Moore, 24, both of St. Louis, were arrested after allegedly breaking a window on a 1971 van belonging to Will Farmer, Florissant, Mo.

SELLING YOUR HOME? Call REINHART, Realtor

Revised hours at Gateway Arch

Starting Sept. 3, the Gateway Arch Passenger Transportation System will be in operation from 9:30 a.m. to 5 p.m. on weekdays and from 8:30 a.m. to 9 p.m. on Saturdays and Sundays.

On Oct. 14, the system will go on its fulltime winter schedule, operating from 9:30 a.m. to 5 p.m. seven days a week.

Visitors are being reminded that the ride to the top of the Arch requires a minimum round trip time, including viewing, of about 20 minutes.

Ticket sales are suspended each evening in time to permit all passengers having tickets to be transported to the top of the

Arch prior to the closing. The Gateway Arch passenger system is operated by the Bi-State Development Agency under terms of a 30-year cooperative agreement with the National Park Service.

JEWELRY IS STOLEN

Jewelry worth \$80 was stolen from the home of Richard Bronbauer, 1624 Cleveland Blvd., it was reported this week. A bathroom window screen was torn off and the window was found to gain entry.

GRANTMASTER TIRE GUARANTEE

1. Tread Life Guarantee Against Road Hazards
We guarantee all Grantmaster tires against failure from all normal road hazards for the life of the tread with the exception of ordinary nail punctures for which Grantmaster tires are designed to resist without loss of tread and without need for replacement.

2. Tread Life Guarantee Against Defects
We guarantee the Grantmaster tires against all defects of material and workmanship for the life of the tread. In the event of a defect, Grantmaster will replace the tire at no charge. Should your Grantmaster tire require replacement under Section 1 or 2 of this guarantee, please return it to Grants and we will replace it by giving you a proportionate allowance for the unused tread based on the current selling price including Federal Excise Tax.

3. Guaranteed Against Tread Wear
The original tread is guaranteed not to wear out for the number of months designated. If tread wears out during this period, the tire should be returned to Grants and we will replace it at no charge. The current regular selling price plus Federal Excise Tax less the following percentage allowance based on the purchase of a new tire:

Tire Guarantee	Allowance
12-27 Months	10%
28-40 Months	20%

This guarantee covers tires in passenger car service only. Passenger car tires used in commercial service reduce the guarantee period to 50%.
